**FORGIVENESS** is to grant free pardon ...

Forgiveness is to grant free pardon & give up all claim on account of a wrong or debt. To forgive without requiring the wrong-doer to be accountable & rehabilitate is self-destructive ensuring re-offending. **Forgiveness is mocking Justice.**

Religious based ideals of forgiveness, while appearing selfless, contain implicit selfish aspects. **Religious forgiveness is moral-bullying.**

Forgiveness is Evil practiced by Evil Pagan cults who use forgiveness for greed & to perpetuate cycles of ongoing wrongs (*e.g. Roman-catholic*). These Pagans pay (*donation*) a clergy & are forgiven. **Then go re-offend & come back for more forgiveness (*the Anti-1GOD cycle of Evil*).**

Forgiving is delusional, asked any beaten wife. To forgive without requiring the other to change is not only self-destructive, but ensures a dysfunctional relationship will remain so by continually rewarding mistreatment.

**1GOD** doesn't forgive. Every person is held accountable  
*On Judgment-Day, GOD wants explained how you helped Cage Evil*  
**1GOD holds people accountable in Life & Afterlife**

Forgiveness is unacceptable behavior! It endorses bad behavior & encourages repeat offending or more severe bad behavior. This behavior needs altering to praise & recognition for being 'Good'. **Reprimand, accountability, & rehabilitation for wrong doing!**

## MUST - D o

Don't forgive! Hold people accountable for their actions & behavior.

Can-not get any Justice! Pray to **1GOD** to implement accountability use the 'Accountability-Prayer'. **1GOD** holds people accountable in Life & Afterlife.

Parents & Schools must teach: '**Accountability & Respect**' not forgiveness. **Parents/Educators who fail must be held accountability.**

Every person is responsibly for their action or inaction should they fail to take responsibility. The community needs to hold that person accountability.
