Welcome to Dog House Lodge

Below is some information that will help make your visit and your dog's stay with us safe and enjoyable.

- ❖ **Our front gate is electronic, so please don't try to open it or lean on it.** When you arrive, simply beep your horn and someone will open the gate for you. Be patient – I may be in the Lodge with dogs in the yards and must put them back inside before I can open the gate for you. Feel free to ring my cell when you arrive 407-509-8790.
- ❖ The Lodge is located in the red barn behind our home. When you enter the yard feel free to drive down to the Lodge or to the circular drive and park.
- ❖ **All dogs MUST be on-leash when exiting your car and walking into the Lodge.** We have free roaming cats that are not afraid of dogs, and we have donkeys that are very curious and nosy. So for everyone's safety, please walk your dogs into the Lodge on leash.
- ❖ **All doors and gates on property must remain closed for the safety of all dogs.** If you enter or exit a door or gate, please make sure it is latched behind you.
- ❖ Our Boarding Intake form is for us to learn as much about your dog(s) as possible to make their stay safe and happy. Please complete the form as thoroughly as possible.
- ❖ In an effort to battle Florida's never ending supply of fleas we will supply beds and blankets, for each dog, that are washed and sanitized between guests. If your dog arrives with fleas, we will administer a Capstar treatment and will add \$5 to your boarding bill.
- ❖ We do not supply food. Please bring enough food for your dogs' stay, plus one day.
- ❖ We do supply treats – unless your dog has a food allergy. If your dog is allergic to anything, please let us know on the boarding intake form so that we can accommodate them accordingly.
- ❖ There are several stocked toy boxes located throughout the Lodge that are available to all dogs. If you prefer that your dog not play with community toys, please let us know upon arrival.
- ❖ If your pup is currently or recently attended obedience training let us know the commands you are working on so that we can continue their training while here.
- ❖ We accept cash and checks (made out to Dog House Lodge). If paying with check, we require payment at time of drop-off. If you are paying with cash, you can pay at drop-off or pick-up.
- ❖ While we will make every effort to email or text updates to you throughout your dog's vacation here, we encourage you to visit our Facebook page for pictures and updates.

We want your dog's stay to be a happy and positive experience, so please feel free to let us know of anything we can do to accommodate you and your pup.
