DADs (Designated Adult Dancers)

DADs are a very critical aspect of That Dance Thing. DADs are paramount in providing a safe, secure, and fun environment for the students. Their participation is appreciated by the students and the students' parents.

Being a DAD is a win-win situation for you and your teen(s). You spend time with your own teen(s) (and other great kids) on Friday nights (or other nights during TDT Lite). You become an accomplished dancer. You enjoy the great satisfaction of investing time in today's young people. Your presence at TDT provides additional adult supervision on the dance floor with the teens. Your presence also balances the ratio of girls and guys. Your regular attendance and commitment are extremely important. We depend on you in many ways. If you register to be a DAD, we expect you to be present.

The need for DADs is based on the number of teens registered and the ratio of girls and guys. If you are interested, please complete the form below and mail it as soon as possible along with your teen's registration form. Make sure you indicate whether your attendance will be on Fridays or at TDT Lite, respectively.

In addition, you will be required to sign The Dovetail Group's Policy of Conduct (not required for previous TDT DADs) and complete a background check (forms will be provided) if you continue in the Fall. Once your background forms have been initiated with the State of Virginia, you will be able to participate in class.

Mail registration form to: The Dovetail Group, PO Box 2605, Mechanicsville, VA 23116
