Do you breed Scotties? No (not yet). If Jack proves to be championship quality, finishes his conformation championship, and passes all necessary genetic testing and health exams I may explore breeding him on a limited basis in the future.

Do you show Scotties in conformation events?

Yes (Jack is currently working toward his championship)

Do you show Scotties in other dog performance sports (ie- obedience, agility, barn hunt, etc.)?

No- but I will be exploring those for Jack (especially agility and barn hunt) after he finished his conformation championship.

What else would you like us to know about you and your Scotties?

We've had Scotties since 2000. Our first Scottie Chloe (RBB 2009) was a special needs girl who was a rehome. Bristol and Logan (RBB 10-2021) were litter brother and sister, with us since pups. Miss Maisie (a senior rescue, RBB 2-2018) was next to join our family. Our most recent addition is little Jack. In addition to membership in STCTB I am a member of Scottish Terrier Club of America and Heartland Dog Club, and serve on the board of directors of Scotties Rock Foundation.
