

Hi Friends,

Hi, my name is Maya and I am 16 years old. I was born in Austin, Texas and I used to live in New York. I am a junior in high school and I am a gymnastics coach. I trained all over Austin from ages 3-11 and reached level 6. When I used to compete my favorite event was the floor. I enjoy dancing as my sport now and still incorporate gymnastics into my art. My favorite subject in school is math. I enjoy weight lifting and reading. I have assisted different types of children's classes at all sorts of facilities. I enjoy the trampoline which is my favorite piece of equipment. My mom is my mentor and she inspires me to follow my dreams. I work as a makeup artist assistant and I attend weddings. I am currently learning how to do hair as well because versatility results in more chances of booking. I like to ice skate and paint as well.
