

## Old Guys Rule supply list

This is a great quilt for large motif fabrics, panels, or T shirts

**THE SIZE OF THE BLOCK IS 11 ½" X 11 ½"**

You may use panels or t shirts that are smaller than 11 ½" x 11 ½" **BUT** you will have to add coping strips (also called sashing strips) to all sides of the panel or t shirt to make the size of the block 11 ½" x 11 ½".

If you do this before class, you will have more time to sew.
