

AGD SYSTEMS achieves UH-60A certification

Press Release • January 10, 2017 16:55 EDT

Ft. Lauderdale, Florida January 10, 2017 (Newswire) - AGD SYSTEMS announces that its team has achieved success in getting FAA certification of UH-60A Blackhawk aircraft for civilian operation. Mark Daniels, CEO of AGD SYSTEMS was quoted saying, "we are pleased with this accomplishment as it will expand our efforts with ongoing aerial services, but also expanding our business case in tactical training", said Daniels.

About AGD SYSTEMS CORPORATION

AGD SYSTEMS CORPORATION (www.agdsystems.com) is an emerging international company that focuses its business case in the transportation sector providing services to government and commercial industry. AGD Systems recently acquired AeroGroup Incorporated (www.aerogroupinc.com). AeroGroup has been supporting military pilot training, research and development programs since 1999. AeroGroup was the first civilian commercial company to perform F-16 training programs in the Continental United States for the Dutch Air Force and OCONUS F-16MLU training for the Belgian Air Component. AGD Systems provides assets for military operations under government contracts, including; sales, services, training, maintenance, parts, subject matter experts, consultants, logistics, technology design, testing, development, and research.

AGD SYSTEMS CORP is a U.S. Based Defense Contractor.
