

To the Parents/Guardians of Glenbrook Preschool Children

Our Preschool has a couple of fundraisers that we do and one of them is SkipTheDepot

SKIPTHEDEPOT APP MAKES SCHOOL FUNDRAISING EASY

Running a fundraising drive for a school is one of the ideas the SkipTheDepot team loves! SkipTheDepot is a great way to help fund-raise for new classroom goodies and more! The best part? No more door-to-door bottle drives on the weekend, let us take care of that while you enjoy your days off!

HOME PICKUPS WITH THE SKIPTHEDEPOT APP

Did you know? Bottles and cans can be returned to a bottle depot for cash! As we all know, this can be messy and eat up a good chunk of your day. SkipTheDepot lets you ditch the dirty work while still getting money back! It's an easy 3-step process:

THREE EASY STEPS

1. Download the app or register online

Download SkipTheDepot from the App Store or Google Play, or visit our web app. Sign up and schedule a pickup by entering your address and donation preference.

2. Enter your home address and pick a date

The morning of your pickup day, put your bags outside. Use the directions area in the app to let the driver know where to find them or any other special directions (key code / "call me").

3. That's it! Cash out or donate to charity

We will count your bags and credit your account within 48 hours after pickup. We even show you what we counted! You can cash out via Interac e-Transfer or donate your refunds to Glenbrook Preschool!

WHY IT'S AWESOME

SkipTheDepot aims to provide an easy and convenient recycling service for all homes

Save time

Loading leaky bags into the car, driving to the bottle depot, and then waiting in line to get a handful of cash isn't a great use of your time. Book a pickup, put your bags outside, and go do that thing you've been meaning to do.

Help charity

Did you know that blue-bin recycling is like donating to the City? Use SkipTheDepot and choose from over 200 charities that you want to donate to.

It's free

No credit card required! It's free to request a pickup from your home or office. We do, however, issue slightly lower deposits than bottle depots.

De-clutter your house

Winter cleaning, made easy! Get your bottles and cans picked up and taken away with a few taps of an app!

Funds for Needed Supplies

By encouraging donors to support schools, this will help generate funding to replace or purchase needed items for your school!

At Home Support

No need to send stinky bottles to school with your kids to haul around all day! Have the pickup occur from your location and we'll make sure the school gets the proceeds!
