Dee Albers is our December Featured artist. She is a local photographer that has been in business for over 15 years. She has captured many senior pictures along with family photos and generational photographs. Dee has a studio located in Downtown Nixa and loves to work with businesses for head shots and is now selling her own beautiful landscape photos in print and canvas form. Dee also photographs homes for real estate investors. We also have Curtis Copeland coming in for a book signing. Curtis's new book with stories of the history of the Ozarks is fresh off the press and will be available for purchase in the Gallery.
