www.blazeking.com

Tax Credit section and date:

The new US tax credit under Sec. 25(D) of the U.S. Internal Revenue Code (“IRC” or “tax code”) valid from January 1, 2021 to December 31st, 2023.

Qualifying Products:

The new tax credit applies to the purchase of all qualifying biomass-fueled heaters on installations completed prior to December 31, 2023. Qualifying products include 2020 EPA certified wood stoves or inserts with a listed efficiency of 75% or better.

All Current Blaze King wood stoves and inserts qualify.

Any qualifying product ordered in 2020, but not installed and paid for until 2021, qualifies for the new credit under Section 25(D) on a 2021 tax return. Products may be claimed on the tax return year in which the purchase and installation is completed.

Credit Amount:

The new tax credit is 26% of the purchase and installation costs, including labor, for tax years 2021 and 2022 & 22% for 2023. (with no cap or lifetime limit)

Please consult your Tax Advisor, prior to purchase, to confirm your eligibility for this tax credit.
