QUALITY CONTROL **PROJECT MANAGEMENT**

CAPABILITY STATEMENT

CORE COMPETENCIES

Bailey Construction and General Contracting is a Full Service Residential and Commercial Construction firm that is fanatic about exceeding our clients expectations. While we can do anything, we specialize in **Construction Management, Drywall, Framing, Flooring, Painting,** and **Interior Finishes.** We are an SBA HUB Zone-Certified, Economically Disadvantaged Woman Owned Small Business that provides comprehensive construction management solutions and support services to **Federal Government Agencies** (Classified/Non-Classified Contracts), **Prime Contractors, State Governments** and **Local Municipalities.**

BCGC is a highly respected, service-oriented contracting business built on strong client relationships, attention to detail, and commitment to transparent communication.
