About the instructor: Jack Peters has over 45 years of transportation experience and has been instructing Hazardous Materials/Dangerous Goods transportation for over 40 years in Alaska, Hawaii, the contiguous 48 states and foreign countries to both shippers and carriers. He has lived in both Anchorage and Kodiak.

A student training manual is provided to each student to keep and regulations are furnished for classroom use only. **Students are encouraged to bring their own regulations.** A practical test is given at the end of the class.

Location and hours of instruction

Class location: *Everts Air Cargo*, 5525 Airport Industrial Road, Fairbanks, AK 99709

Class hours: 8:00 AM to 5:00 PM. Students should expect to stay the entire length of the class to receive credit and certificate of completion. The primary focus will be on air transport but some surface may be included if class warrants it.
