The Pad the Purse program will provide ADDITIONAL purse money for all FAB 4 races and for the FAB 4 yearly points fund for the 2020 racing season.

PHIL DILUCENTE & Associates, LLC | Attorneys At Law is sponsoring fifteen additions of \$2,000 each to current purses and the points fund for the 2020 FAB 4 racing season for a total amount of \$30,000. Every division of FAB 4 racing will have a chance to obtain "Pad the Purse" money for every feature race and and for the points fund.

Pad the Purse rules for FAB 4 races:

- 1) \$2000 will be provided for additional purse money to be split equally between two of the four divisions (\$1000 for each division), to be awarded equally to first through tenth place feature (A-Main) finishers, at \$100 each;
- 2) the two of the four divisions to receive the additional purse money will be determined by a pill draw, which will occur after all heat races and before all feature (A-Main) races;
- 3) the pill draw will be done by the Sponsor of the Pad the Purse program or his designee;
- 4) in the event that a division is drawn three races in a row, another pill draw will occur and that division will split the \$1000 with the third division drawn 50/50: each of those two divisions will receive \$500 to be awarded equally to each of the first ten feature finishers in the amount of \$50;
- 5) any division which receives an award of Pad the Purse money three races in a row in any amount goes back to zero for the next race and the "three in a row" determination starts again;
- 6) if there are less than ten feature finishers, as determined by usual track rules, the Pad the Purse money which would have been awarded to the nonexistent finishers will be moved into the yearly points funds and divided per the rules described below;
- 7) if a rainout occurs, and the rained out race is not made up, the \$2000 designated for that race will be moved into the yearly points fund and divided per the rules described below;

Pad the Purse rules for yearly Points Fund:

- 8) \$2000 will be added to the points fund, divided equally among all four division (\$500 for each division) then awarded equally among the top ten finishers (\$50 each);
- 9) any money moved into the points fund from the FAB 4 races Will be divided equally among all four divisions and then divided equally among the top ten finishers of each division.
