

# Product Specification Sheet

Item # VH8083

## Specifications:

Vendor Parts Number: VH8083

### Construction:

The Support Bar is TIG welded and made of durable, powder coated high strength steel. It pivots onto the rope adjustment bar and is secured by a 3/8" threaded, pin-pointed T-handle. It is removable when not in use.

Assembly: None required.

### Product Dimensions:

VH8083: 23" x 16" x 5", 4.5 lbs.

### Shipping Dimensions:

VH8083: 24" x 18" x 6", 5.0 lbs.

The Support Bar ships FedEx or UPS.

### Warranty:

1-year bumper to bumper on all parts.

3-years on all moving parts.

Life time on frame.

## Functions:

The Support Bar provides support for clients needing "a handle to grab on to" during early balance training. It is removable and fits all pulley series except for the "L-Series" lat pulls. It attaches to the rope adjustment bar via a 3/8" threaded pin-pointed T-knob.
