Old/New Business:

Mobile Food Units:

- The PDF version and the XLS version have been posted to the website for all to use and are encouraged to use for statewide consistency.
- Centralized database concept. Many agencies have such information and track individually, merging information is the concern. Suggestion is to put the responsibility back on the shoulders of the vendors to keep the permit on hand for display. Discussion ensued

Dennis Poulin:

- Explained the grease comb and when the accumulation is required to be cleaned in code.
- Gave a brief on the reporting requirements after cleaning and service that fall upon the contractor.

Legislative

- SB1348 – Fireworks expansion
 - Bill seeks expansion on date increase for sale and use around specific holidays, Cinco De Mayo (May) and Diwali (Fall season).
