We look forward to seeing you at our upcoming events.

It is a *great idea* to invite a friend to join you.

Call for directions or more info: 480-423-9512

How can we be of service to you?

Betty is available for Energy Work

We at Star Woman Crystals want to share with you that there are many ways to connect with Mother Earth... let us help you.

*Celebrate and Come Feel Our Rocks!*

## September 8, 2018 Saturday National Coffee Ice Cream Day Open House 11-4

Celebrate Betty's two favorite foods, Ice Cream and Coffee. We will have some refreshments (coffee and ice cream) and you can play with the crystals and stones. We love to celebrate National Days that are food based. Join us for the fun.

## September 9, 2018 Sunday Rev Cay Randall May Open House 11-4

Join Betty and Shari to welcome back Rev Cay Randall May. Cay Randall May, as an intuitive, will help you in putting together a Crystal Kit uniquely suited to this moment in your life's path. For example, if you are feeling stressed and distracted she might suggest crystals to ground, center and calm you. In her reading specific crystals and stones will be mentioned for your kit. Perhaps you already have your crystals and would like her to intuitively tune into their benefits for you. She will then relate them to your talents and needs with focus on any questions which you might have. **The fee for her readings is \$30.00 for a 15-minute session. Appointments are recommended as she books up fast.** Please call 480-423-9512 to book your appointment today.

## September 15, 2018 Saturday Foot Reflexology Open House 11-4 with Harry Hover available for sessions

Reflexology is gentle manipulation or pressing on certain parts of the foot to produce an effect elsewhere in the body. Reflexologists propose that the blockage of an energy field, invisible life force can prevent healing. Another tenet of reflexology is the belief that practitioners can relieve stress and pain in other parts of the body through the manipulation of the feet. **Harry will offer 20 minutes sessions for \$20.00.** He is great, and this is not to be missed!

Harry Hover is a Healing Arts Practitioner trained in Reflexology by the International Institute of Reflexology. He has been promoting relaxation and stress relief since 1986.

## September 16, 2018 Sunday 3-D Aura Camera Open House 11-4 with Mary Versosky available for readings

Join us for the fun 3-D Aura photos! **\$30 gets you two great aura images, one is a photo of your head & shoulders with your aura colors around you, and the other is a snapshot of your chakra images! Way cool! A full printout explaining each detail is now only \$50, which includes your photos!** Try holding your favorite crystal while getting your aura photo. It is truly amazing! Mary Versosky includes a fantastic aura reading that is right from the heart and speaks to you, here and now.

## September 22, 2018 Saturday National Brave Day Open House 11-4

Sometimes just a flutter of encouragement comes in the form of timely guidance from one woman to another. Other times, it's provided through the coordinated, thoughtful efforts of those who identified someone in need. Women are empowering women. On this holiday in September, National BRAVE Day honors women who lift each other up,

rescue each other and make each other BRAVE. Join with Star Woman Crystals and celebrate the Brave women in our lives.

## **September 23, 2018 Sunday National White Chocolate Day Open House 11-4**

Join Betty and Shari for the White Chocolate Open House. Tell us why you love white chocolate over milk chocolate. Maybe Betty can talk her sister into making moose munch for this open house. She certainly loves white chocolate in moose munch.

## **September 29, 2018 Saturday National Ghost Hunting Day Open House 11-4**

Ghost hunting stirs up images of abandoned mansions with murderous histories or specters guarding ancient crypts. For ages gone by, many of the ghost stories around the world center around historical records or literature. Their existence has been widely debated in religion, science, and academia. Even their use by Shakespeare and other playwrights is often considered a continuation of that discussion during the Renaissance stage. Ask Betty and Shari to show you our Phantom Crystals.

## **September 30, 2018 Sunday National Plus Size Appreciation Day Open House 11-4**

Join Betty and Shari as we celebrate being a plus size woman. Everyone has the right to feel comfortable in their own skin. We love our bodies and we want to encourage everyone (men and women) to feel the same. We love the uniqueness of each person that we meet here at Star Woman Crystals.

## October 6, 2018 Saturday National Do Something Nice Open House 11-4

It would be ideal if everyone lived their lives doing kind things daily and without thinking about it. Today serves as a reminder to us all, as it is easy to get caught up with hectic schedules and fast-paced lifestyles, to stop for a moment and do something nice. You never know the impact you may have in someone's life.

## October 7, 2018 Sunday National Save your Photos Day Open House 11-4

Reminisce about your family and friends that have passed on. This picture is my Uncle and my Aunt and her twin sister. All have passed over. I enjoy looking at old family photos from time to time and I remember how wonderful the people were.
