KELOWNA KIWANIS FESTIVAL PRESIDENT'S MESSAGE

Welcome to all performers, adjudicators, teachers, parents, volunteers, sponsors and donors. The Kelowna Kiwanis Festival is celebrating its 92nd continuous year of operation and is seeing more growth and success with each passing year.

Festival performers have the opportunity to showcase their hard work before a panel of esteemed adjudicators from across the country. The excitement for many of the participants is only the beginning of a future in the performing arts that some will find leads to professional careers. As showcased on a recent Global Okanagan news programme, our Board Member Graham Vink is a leading example.

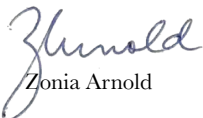

Above and beyond all else, the Kelowna Kiwanis Festival is about amateur performers, and supporting their growth is a big part of our commitment to the families of not only Kelowna, but also families from other Okanagan, and BC communities. Our motto "*Perform, Learn, and Grow with Us!*" highlights what the Festival is about and we welcome you all.

That being said, this Festival would not happen without the generous support of our sponsors and donors. As we strive to offer our participants professional venues in which to perform, and esteemed adjudicators to evaluate their performances, we are always grateful for the financial support that we receive from many sectors of the community. Our supporters are presented to you throughout this programme and make a big difference in helping us offer our amateur performing artists a unique performance opportunity.

The presentation of this Festival is also a reflection of the dedication and hard work of our Executive Director, Karen Jean Machura, the many volunteers that help manage each event, and our volunteer Board of Directors. In addition, we value and sincerely appreciate the contributions and wisdom that we receive from community teachers and performing arts leaders in helping us to create the very best festival experience possible. Thanks to each and every one of you.

In closing, I wish continued success to all our participants and hope that you take from this Festival the encouragement and recognition you deserve, as well as have some fun along the way!

Warm Regards,

Zonia Arnold

February 2018

Welcome to the 2018 Kelowna Kiwanis Festival

I am pleased to welcome all the participants from across BC to the annual Kelowna Kiwanis Festival running from February 26th to April 27th. This festival is in its 92nd year and is a major performing arts event in our region. The positive results and legacies of the Kelowna Kiwanis Festival help to stimulate growth and development of the arts and contribute to our region's cultural experience.

The Kelowna Kiwanis Festival unites us as a community whether we are participants, supporting parents or friends, adjudicators, sponsors or audience members. It provides opportunities for amateur performers in music and dance to demonstrate their achievements and be evaluated in a constructive and positive manner by esteemed professionals from across Canada. The gala concert on May 18th provides a showcase to celebrate the wide variety of very talented artists participating in this festival.

This performance promises to entertain all those who attend and showcase our local talent, cultural awareness and the pure joy of music and dance. The result will be a gift of music and thriving examples of arts in our community.

Good luck to all the performers in the 2018 Kelowna Kiwanis Festival. It will be an honour and a pleasure for the City of Kelowna to welcome those visiting our city for this special event. While you are here I know you will receive the traditional warm Kelowna welcome from our citizens, a welcome that I hope will encourage you to return.

Yours very truly,

A handwritten signature in dark ink, appearing to read 'C. Basran'.

~ BALLET & MODERN ADJUDICATOR ~

ANDREA GUNNLAUGSON FURLAN

“My first dance festival as a competitor was in the late 70’s, I remember being scared, excited and most of all proud to have an opportunity to grow and learn from the guest adjudicators. I was excited to meet dancers from other studios, share stories, watch others to be inspired by... Festival was always the ‘treat after the hard work’. To this day I still have every adjudication form from every festival I ever participated in. Merits, Awards, Scholarships and challenging criticisms, the unexpected, the hardships, the most rewarding developments for young artists.”

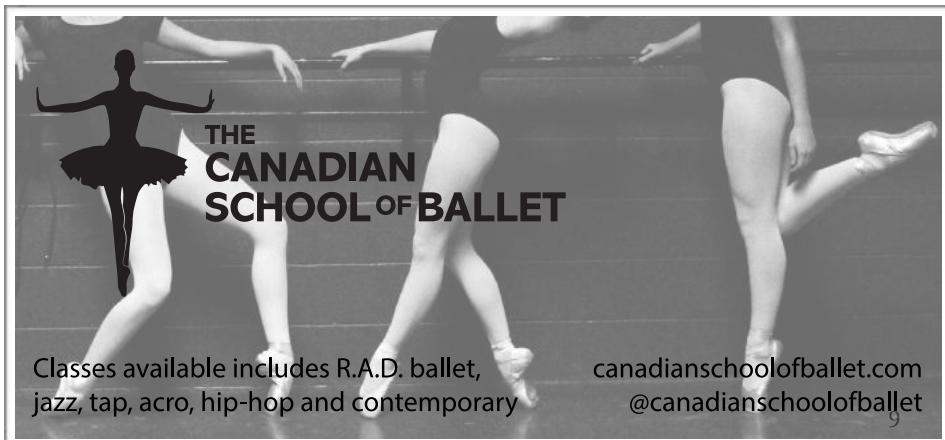

Andrea trained professionally with the Royal Winnipeg Ballet School and graduated Winnipeg’s School of Contemporary Dancers before moving to Vancouver in 1993.

Over the course of 20 years of a professional performing career, she had the honour of working with some of the most prominent local, national and international choreographers and dance companies. Andrea has garnered much respect, both locally and abroad as a performing artist, teacher, adjudicator, rehearsal director and arts advocate.

Andrea officially retired from the performing world of Dance in 2009 and returned to school to study and graduate with full honours in Massage with much assistance from the Dancer Transition Resource Centre through a full training subsidy grant. She now is focused on her home business and practice '*Doulandie Nurturing Touch*'; offering varied Massage services, Childbirth Education, Dancing for Birth Classes, as well as maintaining her passion for teaching and adjudicating dance and offering specialized career and anatomy classes for aspiring dancers.

Andrea currently resides in the South Okanagan with her family. She is an active volunteer on any arts committee she can be, and is venturing into the theatre world as a Producer, Actor, Stage Manager and fundraiser.

Andrea is extremely pleased to be in Kelowna for this year's festival and is looking forward to all your passionate performances.

CLAYTON SCOTT

Born June 25th 1990 in Surrey, British Columbia, Clayton is a jazz and contemporary dancer, an actor and choreographer. Clayton is very passionate about comedy and dance within the film and arts community.

Clayton completed Ryerson University's Bachelor of Fine Arts/Dance program in 2012, where he majored in Theatre Performance. During his time at Ryerson, he trained under the National Ballet's principal dancers Nadia Potts, Vicki St. Denys, Kate Hilliard, and Derek Sangster. During his time at Ryerson, Clayton made his television debut on Wipeout Canada, and is one of the only 48 Canadians to compete in the final Wipeout Zone in Buenos Aires, Argentina.

After graduation, Clayton danced and choreographed comedic work for Vlad's Dance Company. Later he danced for Carly Rae Jepsen on MuchMusic, Alan Thicke, and opened Elton John's Fashion Cares 25th Anniversary concert. While dancing full time, he was choreographing competitive numbers for studios across North America.

Clayton's love for dance is equal to his passion for film and television. Scott spent three seasons acting alongside Academy Award winner Guillermo Del Toro on FX's 'The Strain' as one of three leading Ancient characters. Additionally, he has danced and performed stunts on American Gods, was featured on Orphan Black, Country Crush, Shadowhunters, and Reign. Clayton is excited to be working on the new CBS Series Star Trek: Discovery.

Clayton is looking forward to pursuing acting and dance opportunities, choreographing and adjudicating internationally.

Do you enjoy dance and music? Are you looking for ways to connect with others in your community? Would you like to make a difference in the lives of amateur performers?
