Cherry Creek Schools www.ccsd.k12.co.us **Wendy DeBell**

- District Profile: 50,000 students, 59 schools covering 108 sq. miles. 500 additional students this year. 24% of students are eligible for free or reduced lunches. 37% of students are students of color. 10,000 students in the district speak a different language at home. Over 100 languages are spoken in the district and every school has an English Language Acquisition Center.
- Colorado State Budget: May cut \$140M in the School Finance Act. Those reductions affect all school districts. The embargoed funds are in addition to the \$1.7M in operating funds returned to the State last year. The district is preparing for \$8.6 M in cost containment in the current budget year. The picture for the 2010-11 school year is even more uncertain.
- Board Of Education had 2 seats up for reelection. As there was no opposition, the election was cancelled.
- Chris Gardner, author, had a strong message to students on closing the academic achievement gap, staying in school, etc. Other speakers participated in a recent program with him at Overland High School.
- Moving forward on renovations in school buildings. Updates are available: www.bond.cherrycreekschools.org
- 4 seasonal flu clinics for employees were held. Vaccines will be available to those with the greatest risk. As requested by Tri-County Health, H1N1 vaccines will be available at several of our schools to those with greatest risk. Check the CCSD website for locations and times.
- Shareholders report is available and will be sent to district residents.
- Community Connections: a publication listing upcoming events at schools that are open to the public.

Land Development Code **Andrea Suhaka,** **1st Vice President**

- Joint City Council meeting, Wednesday, October 28, for Council and the Planning and Zoning Commission.
- The Land Development Code (LDC) rewrite has been underway for over a year. Community input has been solicited and the process has been available online complete with documents available to the community.
- New Planning Process – 1) requires neighborhood meeting with developer prior to filing; prohibited home occupations are listed; types of vehicles not allowed to be parked on residential property; phase out PUD process & build to the established code (some flexibility) are included.
- The Land Development Code: 1) Decision-Making Process – who approves what request, eliminates the Board of Adjustment and passes authority to Planning & Zoning, (Board of Review remains in existence); various levels of approval range from staff approval, (administrative approval) to Planning and Zoning approval & in some cases Council approval. 2) Planned Unit Developments (PUDs) Sunset Provisions 3) Adoption Date is scheduled for December 14 or January 4. One year to draw the zoning map which will trigger the implementation of the new Code. HOA's are responsible for providing contact information to the City.
- LDC questions from CenCON: multiple vehicle parking at a residence, dead trees on properties, homeowner - style covenant requirements vs. land development code, enclosures for dumpsters in multi-family developments, amendments to LDC go first to Planning and Zoning and then to Council.
- More information is available on the City website
