February 12, 2021

Fourteen Corvettes met at the Rooster Run Restaurant in Hurricane for breakfast on February 12 after which they drove the 45 miles over to the Pipe Spring National Monument near Fredonia, AZ. It rained for the first time in months but that did not dampen spirits. Here are some photos from the event.

Twenty-three Corvettes cruised over to the Nellis Air Force Base in North Las Vegas to tour the Threat Facility and the Thunderbirds Museum. 'Vettes & Caffeine @ Linski's Grille in Kanarraville, Utah

Thursday, April 15, 2021

Seven club members met at Exit 13 and drove the 35 miles north on I-15 to the long-forgotten town of Kanarraville for breakfast/lunch at Linski's Grille.

The weather was sunny on the way up, a lot cooler when we arrived, and rainy on the return, but everyone seemed to enjoy the company and the adventure.

Here are a few shots from the outing.

Color Country Corvette Club Photo Shoot & Social

Saturday, April 24, 2021

40 cars gathered at the Old St. George Airport on a beautiful (windy) Saturday afternoon for a bi-annual Corvette Club photo shoot. Cars began arriving at about

2:00pm to begin the staging of the cars, and by around 2:30pm the shoot began.

We were fortunate to benefit from the services of a professional photographer who took many stills, some video, and most exciting, he took arial shots from a drone camera.

Following the photo shoot, **Peter and Trish Spevak** graciously opened their home for a Corvette Club social with great food and drinks. About 50 persons attended that function.

Once these photos are made available, we will offer pricing for those of you that might want an enlarged photo for your home or office.

Included here are some photos that were taken by members, that will give you a feel for how great the events were.

A Letter from our President

Today was a successful fundraising event for our "Thank a Veteran" Charity Poker Run. The Poker Run winning hand was a king high full house belonging to Color Country Corvette member **Rob Lee**. Congratulations Rob Lee, you won \$317.50!

Rob was presented with his prize at the Club Photo Shoot on April 24 by **Patricia Spevak**, Sun River Trustee, and former Secretary of the Corvette Club.

The total raised from the run was \$635.00 to be split with the winner and with the Veteran's Activity Fund at the Southern Utah Veterans Home in Ivins.

Thanks go to the generosity of those attending who made supplemental donations, another \$191.50 was raised.

We therefore have a total of \$509.00 to give to the Southern Utah Veterans Home, in Ivins, for their activity fund.

Thank you to all who participated. We hope you enjoyed the event, the beautiful day and knowing you helped those who served us all.

Thanks everyone.

CORVETTE HUMOR

A senior citizen drove his brand-new Corvette convertible out of the dealership. Taking off down the road, he floored it to 80 mph, enjoying the wind blowing through what little gray hair he had left.

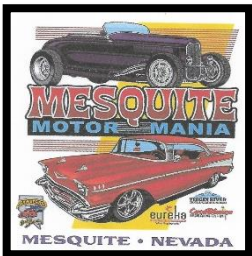

"Amazing," he thought as he flew down I-94, pushing the pedal even more. Looking in his rear-view mirror, he saw a state trooper behind him, lights flashing and siren blaring. He floored it to 100 mph, then 110, then 120. Suddenly he thought, "What am I doing? I'm too old for this," and pulled over to await the trooper's arrival.

Pulling in behind him, the trooper walked up to the Corvette, looked at his watch, and said, "Sir, my shift ends in 30 minutes. Today is Friday. If you can give me a reason for speeding that I have never heard before, I'll let you go."

The old gentleman paused. Then he said, "Years ago, my wife ran off with a State Trooper. I thought you were bringing her back."

"Have a good day, sir," replied the trooper.

CARS OF THE MONTH

November 2020

Color Country Corvette Club Car of the Month
Vern & Carole Edgren November, 2020

2019 Stingray Coupe Elkart Lake Blue Metallic

Carol and I bought our first Corvette in 1969. It was a 68 Vette, British racing green, 350 horse 327. I was stationed at Marine Corps Air Station El Toro at the time, and we had just gotten married. I had to sell it when I went back to college. We bought this 2019 C7 Corvette, our second, for our 50th anniversary. It took almost 50 years to talk ourselves into buying it but what the heck, we are not getting any younger and the kids have been gone for a long time. **-Vern & Carol**

March 2021

When I was a senior in high school 63/64 a friend of mine bought a '63 split window. I have wanted one ever since. Finally, when we went back to my 55th class reunion I found one in Southern Ohio and bought it.

Soon after I found the blue one in Canada and purchased it. And then one day Kitty said you have a red and blue...now you need a white one. And the rest is history. **- Steve & Kitty**

April 2021

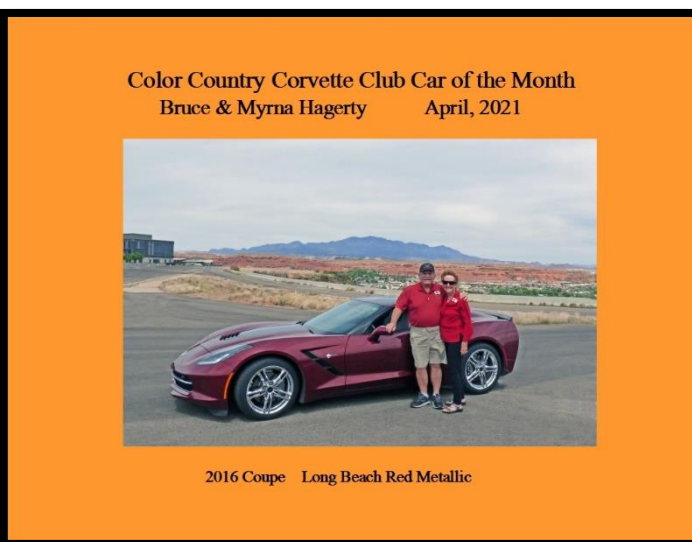

I have been a car enthusiast for as far back as I can remember; but it wasn't until, as a teen, when I saw a neighbor pull up in a beautiful, cherry red '73 that my love of Corvettes really began, and I knew I had to have one someday.

That day came in my early twenties when I bought my first corvette shortly after joining the Air Force, a '72; since then, I have owned a few others, to include an '82 that I fully restored, and an '87 Callaway Twin-Turbo.

As I broached the end of my Air Force career, the C6 came out, I loved the design and decided I wanted one as a retirement gift to myself. I originally set out looking at getting either a black or Lemans blue one, however when I saw a Daytona Sunset Orange Metallic, better known to Corvette enthusiasts as DSOM, one sitting on a showroom floor I thought it looked awesome. So, in 2006, that is what I ordered with the 3LT and Z51 packages and we have been enjoying it ever since. **-Jim & Kathy Welker**

May 2021

Myrna and I are new to Utah. We moved to Coral Canyon in November 2019 and we love it here. We have been Corvette enthusiasts for years and are former members of the Americana Corvette Club in Chico, CA.

We currently own a 2016 Stingray, Long Beach Red Metallic, with lots of bling. Prior to this we owned two Corvettes, a red 2006 Coupe, and a 2002 Triple Black Roadster that we showed quite a bit.

We look forward to making new friends and going on many runs with the club. We are happy to be part of such an active club. **-Bruce & Myrna**

Other Club News

Congratulations to **Doug & Wanda Utash** for taking First Place in the Corvette Stock Class at the Hurricane Easter 2021 Car Show with their Admiral Blue C7 Vette.

CLUB RULES OF THE ROAD

As we begin the Spring & Summer run season, please review our club's "rules of the road" for all runs & events. Adherence to these rules is essential to ensure all participants and the general public's safety as well as protecting the club from any liability issues.

Some key highlights from the rules are:

1. Each caravan should have a Caravan Leader - a "FRONT CAR" and a "BACK CAR." The Caravan Leader is responsible for the caravan and any questions should be directed to that person at the drivers meeting prior to departure.
2. All cars should have a means of communication between themselves, preferably UHF walkie-talkies.
3. All cars should carry the cell phone list of the club members for additional "hands free" communication.
4. Common sense guidelines:
 - a. Safety always comes first but having a lot of fun is a close second!!
 - b. We obey all traffic laws!
5. Color Country Corvette Club does not condone drinking while driving!!

ACTIVITIES WAIVER & RELEASE

All events sponsored by the Club must include a Waiver & Release to be signed by all participants. Event flyers will include a clause stating that attendance is voluntary and at a member's own risk.

This is the wording for the Waiver:

By signing this Waiver & Release you are acknowledging that you are participating in this event voluntarily and at your own risk. Signers also agree that they are responsible to practice social distancing. Those who are feeling ill are asked not to participate in the outing.

NCCC COVERAGE CONCERNING COVID 19

Sickness and Disease are covered in the NCCC Policy the same way as any other 3rd party bodily injury claim. NCCC is covered for any COVID 19 claims made by a 3rd party. What has changed is how the use of waivers associated with each event is based.

Due to COVID 19, otherwise low risk activities, such as a club meeting, now have a higher risk. NCCC is rethinking when and what types of events should require a waiver. The use of waivers is the primary defense against NCCC getting sued by a member.

It is now mandatory that every club gathering, or activity have everyone sign the standard waiver until the COVID 19 threat has passed, even those activities which did not previously require waivers. Your club is working with Legacy Insurance on a new waiver form that would include COVID 19 language.

NCCC has begun to look at electronic waivers and how they may be used in our organization. For now, we will keep using the paper waivers. Electronic waivers will have to meet our insurance requirements as well as the Competition Manual.

Any announcement of an activity, such as a flyer, must include a warning that attendance is voluntary and at a member's own risk. Also, that individuals are responsible to maintain their own social distancing, and if they are sick not to attend. Hand sanitizer should be available to members before and after contact activities.

It is especially important that all events follow state and local regulations. Not complying could make an event illegal and put insurance coverage in jeopardy.

CLUB BYLAWS

Revised February 9, 2021

Mission Statement

The Color Country Corvette Club's goal is to have "FUN" and promote friendship among members.

We are a social club, driving and enjoying our Corvettes. This club is a truly diverse group; the club has no political or religious affiliations. The club is a not-for-profit organization.

Article 1: Charter Members

Doug and Anne Rosa have been named Charter Members of the Color Country Corvette Club. This is in recognition of the Rosa's efforts in founding the Club and their continued work on its behalf.

Article 2: Club Name

The club's name is Color Country Corvette Club (abbreviated CCCC). This club is also known as Color Country Corvettes (abbreviated CCC), Color Country Corvettes of Southern Utah and Color Country Corvette Club of Southern Utah.

Article 3: Club Logo

The Color Country Corvette Club logo cannot be changed. The Color Country Corvette Club logo was created when the club was formed in August 2006. The club logo consists of the Delicate Arch and a C6 Corvette. The position of the C6 Corvette in front of the Arch is facing to the right when viewed. Below the C6 is: Color Country Corvettes, St. George, Utah. The only change that can be made is the color of the car when printing or embroidery is done. A digital copy of the logo is retained by the Board.

Article 4: Board of Officers

The Board of Officers shall be President, Vice President, Secretary, Treasurer/Governor and Membership Coordinator. The above positions will be referred to as the Board. The Board shall meet at least four times per year and meetings are open to all club members. Only Board members may vote on any business votes taken at the Board meetings.

5. New Member dues and Renewing member dues are subject to the attached Schedule A. Dues are subject to change.

Dues are also used to provide new members with a name tag and the quarterly Blue Bars. (Blue Bars is an Official Publication of the National Council of Corvette Clubs, Inc.). If membership with NCCC is terminated, dues will be adjusted accordingly.

Article 7: Revenue

All Revenue received by the Treasurer shall be deposited into the CCCC checking account.
