**Program Notes:**

**\*Fishing at Borderland:** The popular Fishing program is back! Join us fishing at Puds Pond every Monday between July 12 – August 30, 2021. For those attending the program, we will be opening a gate on Mountain Road in Sharon, MA, where you are able to park in the field closer to Puds Pond. We will provide all fishing equipment and bait, but feel free to bring your own. Rain will cancel. For more information about the program or parking for the program, email us at [Borderland.park@mass.gov](mailto:Borderland.park@mass.gov).

**\*\*Ranger Darren's Scavenger Hunt:** Geocaching: Back by popular demand, stop by the visitor center at Borderland to grab a game sheet that will have directions on how this scavenger hunt works and for the coordinates of the caches. This self-guided adventure begins Saturday, July 10 and ends Monday, September 6, 2021. For more information, please email [Borderland.park@mass.gov](mailto:Borderland.park@mass.gov)
