RE: ****REVISED CLOSURE DATE****Bridge Closure Notification- Closure of Fairview Street (S-543) over I-385 for deck rehabilitation

Greenville County, City of Fountain Inn
Project # 2349830

To whom it may concern:

The South Carolina Department of Transportation District 3 Construction Office plans to close the Fairview Street Bridge over I-385 in Fountain Inn for deck rehabilitation. This bridge is located at Exit 24 on I-385 and approximately 2 miles from downtown Fountain Inn.

This bridge closure is anticipated to begin on Friday, October 4th, 2019 and last thru Friday, October 18th, 2019. A 3.5 mile detour will send traffic along North Nelson Drive (frontage road to I-385) to Harrison Bridge Road (S-453) then along North Woods Drive (Frontage road to I-385) back to Fairview Street (S-543). A map depicting the detour route is enclosed for your convenience.

The Greenville County School System may be impacted by the closure and they will be notified. We are also notifying other members within the Delegation of this project. This letter has been written to comply with SCDOT Engineering Directive Memorandum 36.

If you have any questions, you may contact Resident Construction Engineer Jack Valetti, P.E. at (864) 241-1024.
