The Jews then said to Him, What Sign do You show us as your Authority for doing these Things? Jesus answered them, Destroy this Temple, and in 3 Days I will Raise it up. The Jews then said. It took 46 Years to build this Temple, and will You raise it up in 3 Days?' -John 2:18

The purpose of this study, Revised, is to correlate several layers of Prophetic Nuances from the Pattern of YHVH's Holy Sanctuaries. They will include the Tabernacle of Moses, the Great Pyramid, as referenced in Isaiah 19 as the Altar of the LORD, Solomon's Temple and the Body of Christ, that this study suggests could provide a Prophetic Template for the 'Building of the Bride' and when it will be 'Completed'. The Title is a Double Entendre in that Jesus promised to 'Build' His Bride and that the Bride of Christ is a 'Building', currently being 'Constructed', that this study suggests is about to be completed, Prophetically. And this 'Bride Building' is to conclude with the Rapture. These Sacred Patterns of Temple Blueprints will be the Templates used and examined to suggest that the Culmination of the Church Age is veiled in Sacred Geometry and Phi Ratio Proportions.

The ultimate Template and 'Standard of Measure', is Jesus. As any Building first has to have a Cornerstone from where the Ley-Lines are drawn from, so too is Jesus that Stone. It was Rejected by the 'Builders', aka the Masons by one interpretation. Jesus is the Living Stone, upon which the Church is presently being Built. This Enterprise is something that did not exist, only in Name and Inference in the Old Testament. Christ stated that if the Jews were to 'Destroy' or Kill the Temple, He would Raise it up in 3 Days. This was a Metaphorical Attribute in reference to Jesus' Body, although to the High Priests of Israel, it went Un-Deciphered. The Bible gives many Spiritual References and teaches that Jesus is the Rock that upon all that will be Tested upon. To the Luciferians, their twisted Anti-Types would have the Cornerstone be the Capstone of their False Christ, Lucifer as they are building their 'Temple of Light'.

Jesus later explained that the Reference He was making of the Temple, was to His literal Body, that would be Killed and then would be Raised back to Life on the 3rd Day, on the Feast of First Fruits, etc. What this study seeks to Correlate is an attempt to Synchronize all these Holy Sanctuary Temple Templates and Deduce a possible Inference of just how close the Building of the Bride is to be Completed. Jesus went to Heaven to build His Beloved, 'Mansions' in His Father's House. And that 1 Day, they would be completed and He would return at that Time. Jesus sent the Holy Spirit on Pentecost to those 120+ Assembled in the Temple Precinct to Empower them to begin the Royal Commission to 'Construct 'the Body of Christ, with 1 Soul or 'Brick' at a Time.

Cornerstone

The Supposition of the 'Building of the Bride' is based on several Biblical utterances from Jesus Christ, that there are Spiritual Clues as to the make-up and perhaps the Timing of when this Building is to be completed, as mentioned. This Bride Building is special. It is Alive in that the Building of the Bride of Christ is being constructed with Living Stones. The Point is that in 1 Day, this Divine Construction Project will be completed, according to Ephesian 2:20, 1 Peter 4 and John 14:3; on Earth as it is in Heaven. The 'Building of the Bride' is being mirrored, in its Construction to the very Dimensions of the Court and Temple of YHVH in Glory. It is being done by none other than by the High Priest, Jesus. It is as it was in the Times of King Solomon's Temple. David, as a Type of the Father, Commissioned the Son, Solomon, to Build the Temple for YHVH's Purposes. And the People of Jesus get to partake in this Effort along with Jesus. Jesus had instructed Peter that upon the Confession of similar Revelation, that Jesus is the Messiah, GOD the SON, that in turn Jesus, through the working of the Holy Spirit, would build His Holy Church on Earth with such a Confession of faith.

The Apostles teach in the New Testament that the Church is 'Constituted' of a Multi-Faceted Dimension. It encompasses the New Man in Christ, Jew and Gentile who Profess Jesus as their LORD and Savior. This 'Building of the Bride' transcends Time, 7 Stages, actually, that are illustrated in the 7 Churches of Asia. The Chart associated with this study will illustrate it as 7 Blocks or Geometric Squares of Time. The Testimony of a Local Assembly of Believers in Jesus, is not Encased in a literal Building, but in Living Souls that go beyond Race, Ethnicity, Gender, Position and Ability. Each Person is likened to a Stone that was used to construct the Temple of Solomon. Each Stone had to be Quarried outside the Temple, by the Priests and Chiseled to Specification for a particular Place and Location, based on the Master Blueprint; the Blueprint is Christ.

A Circle/3 Days to Raise 'Temple' = 40+40+40 = 120 Prophetic Years of the Church Age (Jubilee Code of Genesis 6) and 120 Disciples started Church at Pentecost

Ephesians 2:19-21 states, 'So then you are no longer Strangers and Aliens, but you are Fellow Citizens with the Saints, and are of GOD's Household, having been Built on the Foundation of the Apostles and Prophets, Christ Jesus Himself being the Corner Stone, in whom the whole Building, being fitted together, is Growing into a Holy Temple in the LORD. Do Temples 'Grow'? Yes, in this case. The Apostle Paul also taught that this 'building project' is also likened to a Pregnancy of a Baby being 'Constructed' in the Womb, that has a Conception, Development and birth or a New Life. But unfortunately, there is also the reality of Miscarriages. The Church, all-inclusive, comprises what the Bible calls Vessels of Honor and Dishonor, of the Precious and the Mundane.

In other words, the Church has a Spectrum of Holiness and Sin mixed currently. Consider the following Analogy of an Average Human Gestation Period. The Days of a Human Gestation is determined to be 280 Days or 40 Weeks. One's Theory is, what if one takes this Measurement of Time and Extrapolates to the Temple and Church Age, since Jesus' Death and Resurrection? Will this Date, Year or Season correlate to a Prophetic 'Birthing' that will 'End' the Church Age with the Rapture Event?

It is About a Measurement

Could this Timeline of the 7 Church Age since Jesus' Resurrection be tied to the Jubilee Cycles and/or Pattern? Could they be Synchronized to the 3rd Day Patter that Jesus said He would Raise His body as the Bride of Christ constitutes 'His Body', that is the Body of Christ? Jesus stipulated that when the 'Mansions in Glory' would be done, He would return for His Bride and take her there. The Notion of the Bride, is that she is the Jewel in the Crown, a Queen that is Holy befitting of a Holy and Righteous King. This has Overtones to the Parable of the 10 Virgins, in that there is Foolishness in the Church, Apostasy and Sin that will prevent some from entering in, when the 'Midnight Call' comes and the Maidens will need Oil to Light-Up their Way.

In other Metaphorical Terms, such a Dire Condition of not being Prepared or Watchful could unfortunately lead to a 'Miscarriage', for example, or a loss of Rewards. This is not alluding to the Loss of Salvation but Rewards. Salvation, one that is Genuine is Eternally Secured. The Calling is Universal, but the Choosing is Selective, based on one's Response to Holiness and Consecration unto Jesus. This basically Delineates those who have Jesus as one's Savior, but not the LORD. The Point being, is that there are 'Wise Virgins' and 'Foolish Virgins' in the Church Body. There is Good and Bad Seed as illustrated in the Parable of the Kingdom and the Sower and the Seed. This amounts to the Parable of the Tares, in that Jesus will wait until the End of the Church Age to 'Harvest' it all, as it will be Ripe to be able to distinguish the Tares from the Wheat.

The Reason is that, at the beginning, the Shoots are Tender. In the initial Growing Stages, both the Wheat and the Tares look alike. Thinning of the Planting could Uproot a Good Seed, apparently. Thus, this study does hold to the interpretation that the whole Church Age period encompasses a Sowing Process and that it is Metaphorically likened to a Harvest and thus has Laws of Sowing and Reaping. The Bride will be Extracted or Harvested, i.e., Raptured from the Church Material, all inclusive. However, this study holds to the Interpretation that the Rapture constitutes a Reward for such Faithfulness and Holiness. This Supposition, is based on the Analogy of the Ancient Jewish wedding Betrothal and its Protocols. Nonetheless, all this has been by way of an Introduction and to set the Stage for a more Philosophical Approach in attempting to Correlate the Temple Measurements to the Church Age and thus, when possibly it could the End.

To establish the Templates for the Building of the Bride's Correlation, the Grid of the Tabernacle of Moses will be used. It is understood that the Jews used the Royal Cubit. What can be determined is that certain aspects of the Tabernacle of Moses were clearly comprehended. The Holy of Holes was to be 10x10x10 Cubit. The Holies was to be 10x10x20 Cubits. The entire Camp, encompassing the Tent of Meetings, was to be 10 Cubits Long x 5 Cubits Wide. With these Measurements, one can Reverse Engineer the Layout that basically constitutes a Rectangle Grid Pattern, or 2 Squares. If one takes 10 Cubits x 5 Cubits it equals 50 Cubits. This already has the Pattern within the makeup of a Jubilee Year Code in the template of the Tabernacle. Also, if the 10 Cubit Section is spliced in half, it would constitute 2 Equal Section of 25 Squares each. Here again, is an encrypted Pentecost Number 50 Coefficient in that 25 Cubits x 2 that equals 50 Factor.

Blueprint: Tabernacle

If the Tabernacle of Moses is sectioned-off in Half, with each quadrant having 25 Cubits that are 5 x 5 Cubits, then using a Numeration, starting from the Left to Right will correspond to some interesting Place Significances. In the Quadrant where the Tent of Meeting is Centered, will correspond to the Number 11 for the Entrance, 12 for the Holies and 13 for the Holy of Holies. If one is familiar with Biblical Numerology, one will obviously be pick-up on the Spiritual Inferences of the Significance of each Number. The Number 11 speaks of a Door, a Gate that was the Entrance to the Tent of Meeting. In the case of the Temple of Solomon, they corresponded to the 2 Columns of Boaz and Japheth. The Number 12 speaks of Discipleship, of Fellowship and Government that was the task of the Priests in their Daily Administration of the Sanctuary Duties and Obligations. The Number 13 speaks of all that is related to Sin and Rebellion.

How this Number 13 is related ironically and contrasting the very Holy of Holies of the very Throne of YHVH on Earth, as it is in Heaven. It is there where Sin is atoned for on Yom Kippur. This Time is also when the Jubilee is officially Proclaimed throughout the Land. Yom Kippur is the only Time when the High Priest, a Representative of Adam's Race, is Sanctioned to appear in the very Presence of YHVH and the Ark of the Covenant is seen. It is in the Holy of Holies, over the Ark of the Covenant where the Blood of Jesus, the Sinless One, Paid and Covered Sin by His mercy. It is a Divine Picture of Love triumphing over Evil, Lucifer, Sin and the Rebellion of Humanity. It is the Place where the Curse was made a Blessing because Jesus was willing to come and be the Sacrificial Lamb in a Substitutionary Place for Adam's Sinful and Helpless Race.

The Bride Building, Church Age Template of the Tabernacle of Moses, shows that indeed YHVH is the Great Mathematician that works with Order, Sequence, Symmetry and Numerology. Each Quadrant is specific to a purpose as would Stones of a Building be placed to either Support, Reinforce, etc. This study stipulates that from the Holy of Holies to the Entrance to the Tent of Meeting correspond to a Prophetic Beginning and an Ending of Time, of the 'Building of the Bride' as the Quadrants represent Time. This Span of Space and Time is constituted by the 3 main Curtains, Doors or Gates. What this study suggests is that these 8 Quadrants in length Segments of Time constitute the Divine Template for building Jesus' Spiritual House, His Body or Bride and its completion. For example, each of these Square Cubit Quadrants will be measured out as 7 Circles of Time, to correspond to the 7 Churches of Asia.

One interesting Innuendo about the 7 Churches of Asia, is that it is a Prophetic Blueprint. Jesus alluded to them as having an Angel and addressed the Letters to such. This is the case that in the pure meaning of the Word, it means 'To the Messenger', etc. This could allude to the Head Pastor that can be seen as an 'Angel' as in a Messenger of Jesus' Word that is to be Preached to the Congregation. In the Book of Job, Chapter 38, Angels are depicted as when the 'Morning Stars Appeared before the LORD and Sang together', etc. The meaning perhaps also does allude to an actual Angel that no doubt was the Sentinel of that 'Lampstand' Testimony, as it is with Local Congregation of Assembled Believers of Jesus, even now. What can also be inferred is that an Angel can also be interpreted as a Geometric Star, i.e. Jesus holding in Hand.

Blueprint: Great Pyramid

In Geometric Terms, if one can interpret the Circle for each of the 7 Churches of Asia as a Geometric Star inscribed to each, the following Mathematical Nuances occurs in Terms of Prophetic Measurement and perhaps, Time related to the possible 'Building of the Bride' and when it is to be Completed. Based on this Template of the Pentagram Motif, within the Circle's Quadrants of the Tabernacle of Moses, the Prophetic Numerical Codes of 1260 and 2520 are seen. These same Numbers are also encoded in the Prophecy of Daniels' 70th Week, as it also Correlates to a Reduced Scale of Days throughout the Biblical Narrative. They appear to be Keys to Prophetic Time and Space and perhaps to how long the 'Building of the Bride' is to last.

*A **Star** has 5 Points, then If a Circle has **360 degrees**, then $360/5 = 72$ Degrees.*

*This Echoes the Procession of the Equinox in that every **72** Years,
1 Degree is achieved in the Great Year of Celestial Time. Circle Pattern,
360°/5 = 72 Degrees*

Degrees = Years

If 72 Degrees = 72 Years then

*360 Years x **7 Churches** = **2520 Years**, then half of 2520 = **1260** Yeas Prophetic Pattern*

The Great Pyramid of Giza will be the next Divine Pattern that will be examined and its Template Extrapolated in conjunction with the Tabernacle of Moses. How this Pyramid Template is relevant to the study of when the End of the 'Building of the Bride' that is, the Bride of Christ is to be completed is stipulated on the notion that the Great Pyramid's Pyramidion, terminates at the height of 5776 Inches from its base. Thus if one is in keeping with the assertion that Cubits and Measurements can be converted to Years of Time, then the year 2016 isa Prophetic Endpoint to a Predisposed Time. What Time is that? That of the coming 7-Year Tribulation. Now, obviously the Church Age has not come to an End yet. Thus, perhaps such a year has been a Time Marker to put the Church Age Believers on Notice of just how close the conclusion of the Church Age is and that the 'Building of the Bride' is about to be completed. Perhaps a 7-Year Countdown from 5776 or 2016. In that case it would be 2022, another Year Mile-Marker.

This Pattern in the illustration of the Great Pyramid is rotated 90 degrees on its axis. The Great Pyramid pyramidion of 5776 inches or Jewish year 5776 that is 2016 is made to correlate with the entrance of the Tabernacle of Moses. When this occurs, the Queen's Chamber corresponds to the Holies in keeping with all their proportions. What is obvious in the superimposing of this Great Pyramid blueprint is that the Queen's Chamber corresponds to the Holies and the King's Chamber with its elevated roof corresponds to the Holy of Holies. The point is that in using this Scale of the Great Pyramid's Template produces a fixed End Date of 5776, which to some, believed it to have converged on a Jubilee Year on Yom Kippur 2016. This Date started on September 23, 2015.

From base of Great Pyramid to include Cap-Stone = 481 Feet or 5776 Inches

5776 inches = the Year 5776

Blueprint: Temple

The next Stipulation is to try to find the Prophetic Starting Point. The Starting Point is based on the interpretation from the Bible that the Church Age started on Pentecost in the Temple Precinct, where the Holy Spirit was given to the 120 Assembled as the First Fruits of the Pentecost Harvest. This study holds to the interpretation that 32 AD was the Starting Year. Pentecost was on the 2nd 50th Day Count, after the Resurrection of Jesus from the Grave, on the Feast of First Fruits and 10 days from Jesus' Ascension on the Mount of Olives. What is Spectacular, is that this Timeline from 32 AD to 5776 approximately lines-up with having the Approximate Time of the Passover to Pentecost Timeframe correspond to the Alignment of both the edges of the Holy of Holies, to the Queen's Chamber of the Great Pyramid and the 1st Pentecost on 32 AD. If the Church Age is to constitute 3 Prophetic Days, then each will be 40 days long or 120 based on the Division of 3 'Days'. This is based on a 360 Degree Geometric Circle of Time.

The next Template will be examined for possible correlations to the 'Building of the Bride', is that of Solomon's Temple. It is basically a Mirrored Image of the Great Pyramid Template when the Ley-Lines are extended and superposed on the Temple. What is spectacular about the Concept of a Spiritual House, being fashioned together as a 'Body', is that Jesus ascribes His Church as His body, that can be illustrated in the Tabernacle and Temple of Solomon, 'Anthropomorphically'. This means that it has a Human Body Proportion and Attitudes to its Measurement and even Characteristics and even to their various Vessels. Many Temples and Sacred Buildings of the Ancient World used the Human Form for Proportions and Symmetry.

The specific study of how the Temple of Solomon takes on an 'Anthropomorphic' Connotation is basically attributed to the Work and Research of the Temple-Man by Tony Badillo at www.templesecrets.info. Such Buildings were, for example, the Temple of Jupiter in Baalbek, Lebanon and the Temple Mount with the Dome of the Rock and the al-Aqsa Mosque, that was a copy of Baalbek when the Greeks under Antiochus Epiphanes defiled the Complex. This is in keeping with the Biblical Metaphor that Jesus is a 'Building', as is His Church, in this case, a Woman, an Eve. It is, as He took from the Material of Adam to 'Build' Eve for a Companion and Help-Mate. This is in the same Spirit at work in how in the Book of Acts, the Apostle Paul had a Burden to go into Asia and as far as India perhaps, but GOD the Holy Spirit re-directed him to go to Europe instead.

This is referred to as the 'Macedonian Call' that was Envisioned as a Man from Macedonia, but it turned out to be Lydia, the 'Seller of Purple'. She heard the Gospel from Paul and was the 1st European to be Saved. This opened-up for the Continent to be Evangelized and the rest is History. In similar Fashion, the Human Dimensions of Solomon's Temple can be deduced in the following. The Holy of Holies pertains to the Head, where the Mind resides. The Holies correspond to the Heart, Lungs and Stomach. The Altar of Incense was where the Sweet Aroma of Spices went-up and over to the Mercy Seat. This speaks of the Prayers and Supplication from the Heart, a Pure Heart that is Right before YHVH and is a Sweet Savor or should be.

Blueprint: Menorah

The Menorah corresponds to the Lungs in that the Lungs even resemble a Branched Menorah where the Pneuma or Breath of the Holy Spirit flowed. This also correlates to the Light of the Oil in the Lamps that signifies the Holy Wind and Fire of YHVH, GOD the Spirit that can breathe Life to that which is Dead. The Table of Bread speaks of the Stomach that YHVH Provides and Satisfies. Jesus stipulated that, it is not what comes into the Stomach that Defiles a Person but what goes out that does. Above all these Prophetic Types and Pictures of the Vessels of the Temple, the True Rendition is found in Jesus. In the Gospels, He Himself attributed all the Vessels of the Temple to Himself as they are Objects of His Essence and Mission. He is the 'Light of the World' of the Menorah. He is the Bread of Life that can only and truly Satisfy, not only Temporal Hunger but Spiritual Hunger for Righteousness.

He is the Sweet Smelling Spice of YHVH, that was Broken much like the Woman broke the Alabaster Jar and poured it on His Feet in Worship. It filled the Room with the Precious Aroma of Worship from a Grateful Woman Saved from a life of Shame and Reproach. The Ark of the Covenant speaks of Christ's Triumph over Sin. He is the Law, He is the Manna, and He is the Almond Branch, the Root of Jesse that Budded, as though Dead. It Symbolizes the Resurrection. His Personal Blood covers the infraction committed by Adam so that He, the Last Adam, can sit above it all, in Triumph due to His Resurrection. These 4 vessels are within the Temple proper. There are also another 4 Main Vessels that comprise the outside of the Temple Precinct. These are the 2 Pillars at the Entrance of the Temple, the Laver of Washing and the Brazen Altar.

What is very interesting is that the Vessels from the Head, start out as Gold and diminish to Gold and Silver and then Bronze or Brass for the Outside Vessels. This Pattern is Prophetic, in that they correspond to the statue of the Human Empires of the Beast seen in Nebuchadnezzar's Dream, as interpreted by Daniel. This thus, also means that they correspond, Prophetically then to Time. Perhaps the Time it will take to finish the 'Building of the Bride' as well. The Pillars are attributed to the Reproductive Organs of a Male, that speak of the Regenerated Life within the Seed of Man, etc. Then the Laver speaks that one must be Cleansed and Washed in the Word, Spiritually Speaking. And how Jesus is the only one that can Cleanse the Crimson Stain that is Red because of Sin and can be made White as Snow.

The Brazen Altar speaks of the Sacrifice that is required in Approaching YHVH. It serves as an Object Lesson as Animals take the place of Man for the infraction of YHVH's laws that require Blood. Why? The Life is in the Blood that can only make Amends according to the Teachings of the Bible. It ultimately took the literal Body, and the Blood of Jesus, as a willing Human Substitute. Jesus was not a Human Sacrifice. Such are unwilling to Atonement for Adam's race in the place of Adam due to the Fall. Why the LORD has this Economy is a Mystery, that will be fully understood in Eternity. But, astonishingly, such Animal Sacrifices will still be Observed even during the 1000-year Millennial Kingdom on Earth. Why? Again, it will serve as an Object Lesson to the Nations that do not know the Meaning of what it took or Sin to be Paid for.

Blueprint: Church Age

If the Temple of Solomon is a Prophetic Template that is Synchronized then to some Unique Measurements. They can be also Extrapolated from this timeline since Christ in 32 AD. This study suggests that this Time is the possible 'Beginning' Time Marker from when the Bride is to be Completed. And the Point? The 7 Churches of Asia Template appear to be Delineated from the Holy of Holies, to reach 5776. This is the approximate timeframe of when Jesus was Crucified and the Church Age Started. Subsequently, 100 Days later on the Feast of New Wine, the Church started. Thus, was the Year 5776 possible Signaling its conclusion or 'Finishing Touches' has begun?

Thus the study suggests that the 2nd 50-Day Pentecost Count was the start of the construction of this 'Bride's Building', the Spiritual Temple built with Living Stones throughout all of the Church Age and when it will be Finished. The Highlight of this Timeline is that Jesus' Death, aligns with the Temple of Solomon, the Queen's Chamber of the Great Pyramid and the Holy of Holies of the Tabernacle. In a Mathematical Proportion, taken from the 7 Circles of the Tabernacle and Temple, the Church's 'Stars' or Angels produce an Equation of 7 Periods of 360 Times to equal 2520 Prophetic Years. From the Anthropomorphic Temple of Solomon, the 4 Point Square within the Circles will be Extrapolated from the Concept of 'Squaring the Circle'.

One is Suggesting that the Grid of the Tabernacle of Moses and the Building Blocks of the Great Pyramid the Solomon's Temple Stone Blocks, Geometrically equals Time. It does appear that the Great Pyramid was and is a Cosmic Clock. Certain Stars are aligned to the Queen's Chamber and the King's Chamber. Nonetheless, one can interpose this Geometric Correspondence to Time, within the circle and insert a square in each of the 7 Circles that Geometrically constitute the 7-Fold Church Age. Since the Circle is 360 Degrees and the square has 4 sides, the conversion formula is as follows. $360 \text{ Degree}/4 = 90 \text{ Degrees}$ or 4 Quadrants.

*360 Degrees - **72 Degrees** = 5 Points on a Circle to 4 Points on a Circle, thus = **288 Degrees**.
288 Degrees = **288 Years** based on the Measurement to Year Theory.
288 Degree/4 sides of a Square within a Circle = **72 Years**.*

This Time Template of the Tabernacle of Moses would suggest that there are 7 Times the Years of 288 Segments of Time, approximately, wherein it could Correspond to the Duration of the Church Age. And this, to Suppose that the Start Year was from when Jesus was approximately Crucified, Risen, Ascended and Commissioned the Church on Pentecost.

*Then applying the **7-Fold Church Age** x **288 Years** each = **5776** or 2016 Year Equivalency.*

This study is nevertheless not predicting an End Date, but that 5776 might have been a Prophetic Turning Point. Or, that a 7-Year Countdown has begun to the 70th Week of Years. This would mean that the Tribulation Period would start around the Year after 2023. It means that the Rapture and End of the Church Age is now within the 'Season' based on the Pregnancy Gestation Period Metaphor, etc. But there is no way of being able to confirm all this Speculation, with 100% Confidence, that this will be the case.
Blueprint: Jubilee Raptures

Again, such a Bride Building Template appears to have Corresponded to the Year 5776. How this Argument can be lent some further Credibility is that the entire span of time from Christ's Resurrection and Start of Church Age to 5776 can be Interposed as one 'Big Circle' of 360 Degrees. One can look at it this way, in that the 3 Days can be divided into 360 Degrees with 3 Equal Coefficients of 120 Degrees. This Number is the 'Code' in that there were 120 Disciples of Christ as a type of the Pentecost First Fruits. This next 'Harvest' Type is to characterize the entire Church Age in that the End Harvest Rapture will occur during a Wheat Growing Season Timing. And that the Wheat Harvest will involve both, Jews and Gentiles, being grafted in during the Church Age.

Jesus did specify that, if the Jews would Kill His Body, inferring the Temple, it would be Resurrected in 3 Days. This then, can be Interposed also onto the 7-Fold Church Age Template of a timeline since 32 AD, in that it also comprises a 3 Prophetic Day Timeframe. This would also approximate the 3 Gates of the Tabernacle and Temples of the House of YHVH. This would also suggest that since the Bride of Christ is His Body, much in keeping with the Biblical Analogy of Eve being in Adam, that Jesus will likewise prophetically Raise His Body on the 3rd Day, i.e., His Bride. It would keep with the Resurrected Timeline, in that Eve; the Building of the Bride, will be Raised or 'Birthed' at the End of a 3rd Day Time, perhaps. This matches the Prophetic 120 First Fruit Disciples that Started the Church and the 3 Days that are a Segment of 120 each based on a 360 Circle of Time. In turn, this Coefficient of 120, again, matches the 120th Jubilee Cycle that concurred with the Jewish Year of 5776 or 5777 by other estimates.

The Rationale is as follows. The Building of the Bride's 'Construction' started in the Temple Precinct by GOD the Holy Spirit. Perhaps its Commission will Conclude in the last 120th Prophetic Day. It is also based on the Code of the Jubilee Cycles. The 120th Jubilee is when the Countdown might have Begun. The Templates could all be a Coincidence or a possible Misinterpretation. There is yet another Bride Rapture Template. It is that of the Rapture Pattern of Elijah. What this study Argues, is that there are various Overlapping and Synchronized Devine Templates that can Reference when the Bride Building Began and perhaps, when it will End. If these Temple Templates are made to Approximate the 'End' to the Church 'Season' of the 120th Jubilee, what is also Astonishing is that there is also a Rapture or Harvest Pattern corresponding to it.

Perhaps, as the Start of the Building of the Bride's Construction started with a 'Taking-Up' of Jesus, in the Ascension, so too it will the Church Age End with a one. This is the Promised Blessed Hope, or Rapture Event, that Jesus is coming with. The prior 'Taking-Up' Events, those of Jesus and Elijah, are also astonishingly correlating Geometrically and Mathematically to the Great Pyramid Template Proportions, the Tabernacle of Moses, the Temple of Solomon and the Church Age 7-Fold Timespan. Based on the Great Pyramid Pattern, the Pit then corresponds to the approximate Timeframe of when Elijah was Taken-Up. Could the 3rd Rapture then possibly be correlated to the Prophetic 3rd Day and Gate of the Temple Patterns? So, if the Prophetic Timespan of 1260, is to occur shortly after 5776, when could the Rapture of the 'Building of the Bride' take place then? Will it involve a Transition of a Time? Will it be a Shemitah or Sabbath of Years?

7 Church Age Clock

What this study is suggesting is that the Temple Templates, based on the Sacred Measurements, of the 3 Sacred Structures, appear to be correlating directly to this possible Rapture Season or have started the Rapture 'Season' since 5776. This Stipulation of the coming Rapture of the Bride of Christ, is only based on the Approximate Dimensions of the Temple Pattern and when Jesus and Elijah were 'Taken-Up'. These 3 Time Markers can then be based on the Phi Ratio Theory of Prophetic Time. Moreover, if the entire Church Age Timeline from Jesus, in 32 AD to the Rapture of the Bride is possibly pegged to some Year, it will occur on a Pentecost Feast after the 5776 Time Marker.

If a 7-Year Countdown from 5776 is added, then it will result in the 5782-23 Jewish Year. As Calculated, this Assertion is based then on the Great Circle of 360 Degrees of Time Pattern, that can be configured, based on the Timespan of the 7 Church Ages. Thus, in the Temple Template Theory, this 'Clock' can also be interpreted as 1 Prophetic Great Year, in Proportion to the Precession of the Equinox. If such a Proportion is Prophetic, then such a Church Age Harvest Time can be Proportioned to a Jewish 360 Day Calendar Year with 12 Months of 30 Days each. This Clock Template would mean then that the 12 Months could be further Reduced in Proportion to the 12 Hours of a Clock, perhaps even a Prophetic Clock at that, i.e., the Great Pyramid Pattern. If the Prophetic 360 Degree Clock is Divided into 3 Prophetic Days of Jesus spent in the Grave, then it also equals 3 Sections of 120 Degrees.

*The Temple Pattern is that of the Precession of the Equinox, where **1 Degree = 72 Years**.
360 Degrees x 72 Years = 25,920 Years*

*The **72** Coefficient x 5 = a **360** Circle*

360/12 Hours = 30 Day Months

*If 360/3 Days = **120 Years**, then 5776 was an Approximate End, Prophetically of the Clock.*

360 Circle / 7 Church Ages

*= **51.428°** (Angle of Great Pyramid)*

*1 Prophetic Week = **7** Days*

*7 Days x **7 Churches** = **49** Prophetic Years*

1 Great Jubilee Year = 1 Great Pentecostal Year

*1 to 49th Year = 2015-16 (5776) + 1 Shemitah or Sabbath Cycle = **5782-83***

*2015 Years / 50 Jubilee Years = **40.32 Years***

***40+40+40 = 120** (Jubilee Code)*

If the 7 Churches of Asia Template would be marked along the Circumference of the Clock, then the Hours would show that the time is about to strike the Prophetic Midnight Call, as the Last Age of the Church, that of Laodicea is about to End. Geometrically, the 12th Hour of the Clock, corresponds to the Pyramidion of the 120x3 Pyramid where the apex is attributed to being the Year 5776. Thus, the 7-Countdown, could have occurred with that Year. These are the Codes of the Jubilee Cycles that appeared to Synchronize in 5776. Will the Completion of the Bride Building occur thereafter?

Living Stones for YHVH's House 1 Peter 4:1-9

Perhaps the Midnight Hour, striking of the Church Age Clock in 5776 sent the Call of the Groom to awaken the Bride in 2017 then. Perhaps the 5776 'Year of Light' was the signal for the Bride's Maids, in Metaphorical Terms, to Wake-Up and Light their Lamps for the Final 7-Year Countdown of the Journey of Faith, etc. Has the 'Season' arrived when the Bride of Christ may actually Hear the Trumpet Blast that is to be accompanied with the Shout of the Arch Angel as the Bride meets Jesus, in the Air?

The Bride of Christ will then be ushered into the Pavilion On-High, for a 7-Day Wedding Pattern. Why? She is to be Hidden as the Indignation of the Wrath of the Lamb is poured-out onto the Wicked World, etc. Did the 'Year of Light', 5776 see this 7-Year Countdown to the Building of the Bride being Completed or 'Birthed' soon thereafter? Nevertheless, the Last Finishing Touches, of the Spiritual Temple made of Living Stones, are being set. The following is more on that 120 Numerical Delineation of Time.

1 Year 20 Days (a **120 Jubilee Code** and Number of Disciples at Pentecost)

~**33,300,000 Seconds**

~**555,000 Minutes** (555 is Code for Death and Resurrection) or ~55 weeks or **55 Months?**

Perhaps the Completion of the Bride Building will indeed correlate to the very 'Capstone' that is yet to Complete the 'Prophetic Pyramid' Pattern, that is pointing to the End of the Church Age. It would appear that a Culminating to a Prophetic Year is occurring presently, as various Prophetic Timelines are Converging at the same Time. Many are indeed sensing that the Church Age Time is almost up, perhaps even within this Last Fig Tree Generation since Israel's Return to the Promised Land. The following are Bible Scriptures pertaining to the Template of the Building of the Bride.

'You are coming to Christ, who is the Living Cornerstone of GOD's Temple. He was Rejected by People, but He was Chosen by GOD for Great Honor. And you are Living Stones that GOD is Building into His Spiritual Temple. What is more, you are His Holy Priests. Through the Mediation of Jesus Christ, you offer Spiritual Sacrifices that please GOD'.

'I am placing a Cornerstone in Jerusalem, Chosen for Great Honor, and anyone who Trusts in Him will never be Disgraced. Yes, you who Trust Him recognize the Honor GOD has given Him. But for those who Reject Him, The Stone that the Builders (Masons/Jewish Synagogue of Satan) Rejected has now become the Corner Stone. And He [Jesus] is the Stone that makes People Stumble, the Rock that makes them Fall'.

'They Stumble because they do not Obey GOD's Word, and so they meet the FATE that was Planned for them. But you are not like that, for you are a Chosen People. You are Royal Priests, a Holy Nation, GOD's very own Possession. As a result, you can show others the Goodness of GOD, for He Called you out of the Darkness into His Wonderful Light'.
