

Ashley Wright

Meet the Teacher

**Kindergarten/1st Grade
Para**

About Me

Hi! My name is Ashley Wright and I'm beyond excited to be a Kindergarten/1st grade Para! Last school year, I was working on the childcare side of VCS as the 2 year old teacher. Although I'm very sad to be leaving those kids and I'll miss them frequently, I'm looking forward to seeing what this next school year has in store for me.

A little bit about me is that I was raised in the small town of Wishek, ND (yes, the sausage is amazing!) and shortly after graduating high school, I moved to Jamestown. I got married last September and we're quickly coming up on our 1 year anniversary! I'm an auntie to 6 nieces and nephews, 3 of which live only a couple minutes away from me so I get to spoil them frequently. I love the outdoors, so when I'm not at Victory you can typically find me outside rollerblading, going on walks, kayaking, hiking, camping, or in the wintertime, skiing.

I also love to travel, crochet, play strategic board games, bake, and spend time with my family.

My favorite colors are blue and green.

If given the choice between the mountains and the beach, I'd choose the mountains over and over again. Alaska has been my absolute favorite state I've traveled to, but I also LOVE Grand Teton National Park.

I'm not a coffee drinker, so my beverage of choice would be a white hot chocolate. My favorite snacks are the popcorn and apples with peanut butter. Instead of having a favorite Bible verse, I have a favorite chapter: 1 Corinthians 13. My prayer every day is that through my actions and words I can show the love of Christ to each and every child here.
