Without a doubt 2020 has proven to be an incredibly challenging year for St. Andrews Children's Clinic, having to adjust to the new norm and finding creative ways to provide service to our families in Mexico. We opted to do telemedicine and zoom appointments for the time being. We navigated through what seemed to be the impossible and now can continue. There is still a long road ahead, but we are confident that with you, our loyal donors, we will be able to continue to provide services to the children moving forward.
