Frequently Asked Questions

1) What do I wear?

Upon registering for class in person, students will receive a class handout/syllabus with all necessary details in regards to class attire, footwear and class expectations. Every student is to wear specific dancewear to ensure safety, avoid distraction and maintain uniformity for class or community performances. Class attire “may” be used as a costume for performing in the community on non recital years.

2) How much do the classes cost?

Price information is not shared online but best over the phone or in person with our LDA Representative feel free to call 574-936-2333x8117 between the hours of 4:30 p.m. and 7:30p.m. Monday through Thursday. Special discounts are available as well. There is an annual registration fee of \$20/dancer to register and class attire fees involved with professional dance lessons.

3) Will my dancer be in recital?

LDA is unique in regards to performance opportunities. We only have on stage recital every other year to ensure that our students are technique and safety focused rather than choreography focused. We spend one year focusing on skills and technique. This keeps cost and stress for parents down to a minimum and education focused at a maximum. Indeed, performance is part of dance training, we do provide two informal low cost events during non stage recital years. If your dancer enrolls by January 30th of the recital year we can ensure your dancer will have a costume and able to perform. It takes several months to order specific costumes for recital.
