Welcome To The Crew

Colton Juso moved to the Black Hills from Pierre with his wife Amy and daughter Raedynn. Before he moved here he worked with the Pierre Police Department for 5 years. There, Colton held several positions such as patrol officer, school resource officer and DARE instructor. He looks forward to raising his family in the Summerset area. If you see Colton out and about please give him a Summerset welcome!

NOTICE OF DEADLINE FOR VOTER REGISTRATION FOR THE CITY OF SUMMERSET

Voter registration for the City of Summerset Municipal Election to be held on April 14, 2020, will close on March 30, 2020. Failure to register by this date will cause forfeiture of voting rights for this election. If you are in doubt about whether you are registered, check the Voter Information Portal at www.sdsos.gov or call the Meade County Auditor at 605-347-2360.

Registration may be completed during regular business hours at the county auditor's office, municipal finance office, secretary of state's office and those locations which provide driver's licenses, SNAP, TANF, WIC, military recruitment, and assistance to the disabled as provided by the Department of Human Services. You may contact the county auditor to request a mail-in registration form or access a mail-in form at www.sdsos.gov.

Voters with disabilities may contact the county auditor for information and special assistance in voter registration, absentee voting or polling place accessibility.

Finance Department

The City of Summerset Finance Office is staffed by Finance Officer Debbie Muzio and Assistant Finance Officer Candace Sealey.

These ladies wear a variety of hats, truly serving as utility players to ensure quality service to the citizens of Summerset. In addition to their positions with the City, they both are moms, successfully balancing work and family.

The Finance Office is responsible for more than the accounting aspect of City government. They process sales tax, building permits, liquor licenses, run elections, publish City business, serve as human resources and assist the commissioners during meetings.

We appreciate their knowledge and willingness to keep things in line.

Mayor's Corner

Many of us know that the City has gone through numerous changes in the past years. The Commission and I are always looking for ways to improve the future for our City.

We are currently looking at changing out our streetlights back to something that actually works for public safety. As always, we are continually working on upgrading the sewer treatment facility to welcome our ever-growing population. The City is also continuing work with USGS, in an effort to find a solution to the ground water issue affecting several homes in Sun Valley Estates.

We, as a Commission, appreciate input from our fellow residents and their willingness to share their concerns. Feel free to contact one of us with suggestions that you would like the commission to consider. I am always available to talk and answer emails.

Thank you,

Bryce Lutz
Mayor

Neither Wolf Nor Dog By Kent Nerburn

Against an unflinching backdrop of 1990s reservation life and the majestic spaces of the western Dakotas, *Neither Wolf nor Dog* tells the story of two men, one white and one Indian, locked in their own understandings yet struggling to find a common voice. In this award-winning book, acclaimed author Kent Nerburn draws us deep into the world of a Native American elder named Dan, who leads Kent through Indian towns and down forgotten roads that swirl with the memories of the Ghost Dance and Sitting Bull.
