

HSE Program

ASSIGNMENT OF RESPONSIBILITY

In accordance with OSHA regulations,

E & B Oilfield Services, Inc.

has assigned responsibility and accountability for the administration of our “HSE Program” to:

Danny Abegglen

Depending on your location, this HSE Program may also be referred to as SHE or EHS Program.

The Federal OSHA designation is “HSE;” however, you will notice that all terms are used.

A copy of the HSE Program is available upon request for our employees’ review. Questions should be directed to supervision or management.
