

18. Los pollitos

The Little Chicks

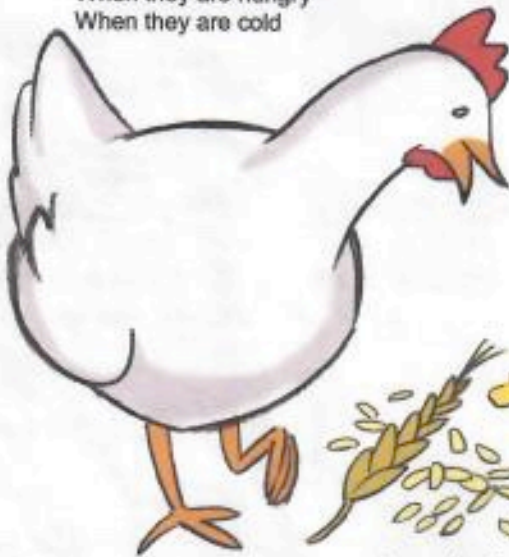

Los pollitos dicen pío, pío, pío
cuando tienen hambre,
cuando tienen frío

The little chicks say "pío, pío, pío"
When they are hungry
When they are cold

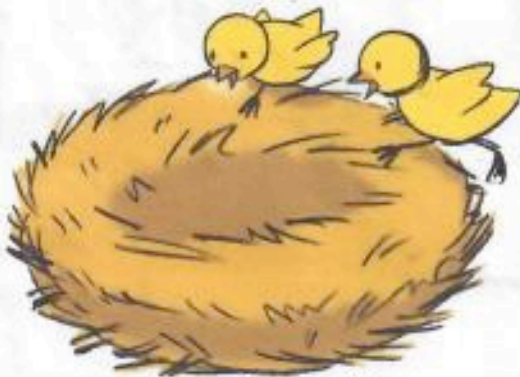

La gallina busca el maíz y el trigo

The hen looks for (the) corn and (the) wheat

y les da la comida
and she gives them (the) food

y después al nido

and afterwards (they go) to the nest

Bajo sus dos alas
acurrucaditos,
hasta el otro día
duermen los pollitos

Under her two wings
all cuddled up
until the next day
The little chicks sleep
