Mark H. Veith  
Program Director,  
PGA Member

### Program Classifications

Parents and junior golfers should select the program they would like to participate in. Please be conservative in skill estimates.

#### Players Tour

Boys and girls ages 14-17 looking to make advanced improvement to their game. Program will focus on course management, routine and profitable practice. Players Tour will use Full Swing Video and goal setting worksheets along with the instructions. Golfers will play 9-18 holes weekly.

#### Future Tour

Boys and girls ages 11-13. Program will be geared to the intermediate skill level. Focus will be on friendly competition and on course playing. Golfers will play 9 holes weekly.

#### Junior Tour

Boys and girls ages 8-10 and any skill level. Program will focus on the basic swing and fundamentals with a strong emphasis on having fun while learning to play. Golfers will play 3 to 6 holes weekly.

#### Range Rovers

Boys and girls ages 5-7 with limited skills or have never played golf. Focus will be on the basic golf swing. The majority of the time will be spent on the driving range & practice green.
