## GIRLS AND BOYS GRADES 4-6

---

- The BOLD Basketball Boosters is a volunteer run organization that offers girls and boys in 4<sup>th</sup>-6<sup>th</sup> grades a basketball program in which they can develop skills and knowledge in a competitive atmosphere. Players must attend BOLD School or St. Mary's School or live within the BOLD school district boundaries.
- There is NO participation fee! However, the Basketball Boosters Board are requiring each participant to put a \$50 deposit down before they can participate. The \$50 deposit will be returned when jerseys are returned at the end of the season AND at least one family member works one shift at one of our upcoming tournaments. If a certain tournament does not work out for you to work, please contact Nate Bahl, who is in charge of scheduling, and he will try to accommodate your schedule. A work schedule for our tournaments should be emailed out at least ten days prior to the tournament.
- Practices and Tournaments: Each team will probably practice once or twice a week beginning in late November or early December. Practices will be determined by the coach and usually are from 6:30-8:00 on weeknights. Coaches will inform families if there any practice or tournament cancellations. If school is cancelled, NO practices are allowed. Tournaments usually begin in early January and can run through March or April. These tournaments will be decided on by the coaches. Tournaments are usually on Saturdays but can fall on Sundays also.
