Speaking Part Solo Singing Part Parent Volunteer Teen Helper

cut and keep lower portion

All helpers will be expected to participate in the choir and attend every day. Tryouts for solo speaking or singing parts will be on Monday morning. Each soloist will then be given a script/music to learn/memorize right away. Rehearsals will begin on Tuesday! In other words this will require some work at home to ensure you learn your parts. Please call **Bethany Moser 509-520-2649** if you have questions. Leaders will also help the kids in their group with memorizing lines so please be familiar with your group script. FYI: There is a audio version of Down By the Creek Bank on YouTube if you want to get a head start on learning the songs.
