AKC NATIONAL OWNER-HANDLED SERIES

The purpose of the AKC National Owner-Handled Series (NOHS) is to recognize and showcase the quality dogs being exhibited by owner/handlers and to provide a venue for the owner/handlers to compete against their peers. The determination of the awards in the AKC National Owner-Handled Series is based solely on the quality of the entry. The owner/handler's handling ability is not of consideration.

- There is no additional fee to enter this competition.
- Entries must be marked as eligible to compete in the AKC NOHS prior to the closing of entries for that show.
- The handler must be an owner of record according to the AKC's records as of the date of the show.
- Professional handler, household members and current assistants to professional handlers in conformation are not eligible to exhibit in this competition. A current assistant is defined as any employed by a professional handler on a full-time basis, or assisting a professional handler at the show or any show during the cluster/weekend.
- Current assistants that are eligible to compete in Junior Showmanship (meet age and amateur status requirements) may participate in NOHS.
- Professional handler is defined as any person who belongs or has belonged to a professional handlers' organization, distributed rate cards, or otherwise advertised or represented themselves as handling dogs for pay within the last five years.
- Dogs must be handled by an eligible owner/handler for the AKC National Owner-Handled Series competition.
- Eligibility restriction apply to all members of the same household.
