Reports from Committee Chairs

Banquet- Lauren- Save the date flier will be going out soon. Most help needed is the day of the banquet. Gifts to seniors will include backpacks with Godwin choral, cups, blanket. Catering wasn't a huge hit last year, so may change that up. There was a request for ideas. Georgia mentioned The Olive Garden and they may give some donations. It was also mentioned that Tracy knows someone who does baked goods, may be interested in donating. There is a senior banquet FB page that Tracy does. An email will be sent out for sign up genius for the banquet.

No one has signed up for this position next year and Lauren would like to have someone shadow her for this event. We should send an email blast to chaperones from field trip and to all choral parents with a list of openings.

Choral Directors Report

Competitions went well. At Manchester, Debut did not place. Brittany Alley and Davis West got showmanship awards.

At Powhatan, Debut won 1st place and received awards for best show design, costumes and female vocalist for Riley Harper. Joaquin Dela Cruz and Aiden Ginn received showmanship awards. Two of score sheets were tallied incorrectly, so they will actually receive Grand Champion and best vocals and will receive awards for this soon. At Lee Davis/Hanover, Acapella received 2nd place in Women's Chamber Choir. Madrigals received 1st in the Mixed Chamber choir. They also received best vocals and grand champion out of 30 choirs. The spring trip went well. All VA Chorus was held this past weekend in Richmond and we had 5 students participating. Next week Acapella will perform at the April 17th home baseball game.

The meeting was adjourned at 6:51.
