The meeting was called to order with quorum present by Board President Ronald Perholtz at 7:00pm.

Board Members present at this meeting were President Ronald Perholtz, Vice President Mike Staley, Secretary Cory Surface, Director David Huggins and Treasurer Pegeen Kelty. Also in attendance were Jim Pike and Gail Freese.

Motion made by David Huggins to approve the April 18, 2019 minutes. Seconded by Mike Staley. All Members were in favor.

Legal Update:

6143-2 – Ron Perholtz advised the membership that the HOA would be going to court on August 5, 2019. This will be to finalize the judgement amount for court fees against Ankudinov. Mr. Ankudinov attended the HOA meeting. He apologized to the membership and wanted to discuss making a deal to close this case. Ron Perholtz advised Mr. Ankudinov that nothing can be discussed because the case was being handled by the Attorney and it was now up the courts to decide.

6359-6 – Ron Perholtz reported that there is a hearing scheduled for July 22, 2019 about a bank foreclosure.

Tennis Court Revision: Tennis courts are almost complete. The only thing left to the Bocce ball court and fence. Jim Pike will be meeting with Martin Fence tomorrow. A request was also made about putting benches in the Sport Court area. A request was also made to put additional benches along the docks.

2019 Painting Schedule: Jim Pike reported that painting will begin in October/November. Also requested that a Performance requirement be added to the painting contract. Board was in agreement.

Town of Jupiter Mailbox Grant: Jim Pike reported that the TOJ approved the grant for \$4500. He stated that Riverwalk also saved \$2500 plus shipping costs by ordering all the mailboxes that were being replaced at one time.

NEW BUSINESS:

Approval of Impact Tinted Windows and Sliders: A discussion was held on various colors of impact windows. The Board decided that, in order to have consistency in the community, a green tinted shading would be the standard in Riverwalk.

6287-5 Request for Installing a Covered Patio Enclosure: Pegeen Kelty at 6287-5 submitted a request to install a covered patio enclosure. Ron Perholtz indicated that this would not be acceptable per our governing documents and would require a change to the Riverwalk covenants, which would also need quorum of the membership before this could be approved. Approval has been tabled until this is accomplished.

Bulk Purchase of Foxtail Palms: Jim Pike submitted a request to purchase seventy 6'-7' foxtail palms to replace the ones that died. Foxtails will not be planted in the same places as the ones that died because of ground conditions. Ron Perholtz made a motion to purchase one hundred (100) trees. Dave Huggins seconded the motion. All were in favor.
