PLEIADIAN PYRAMIDS OF TULUM

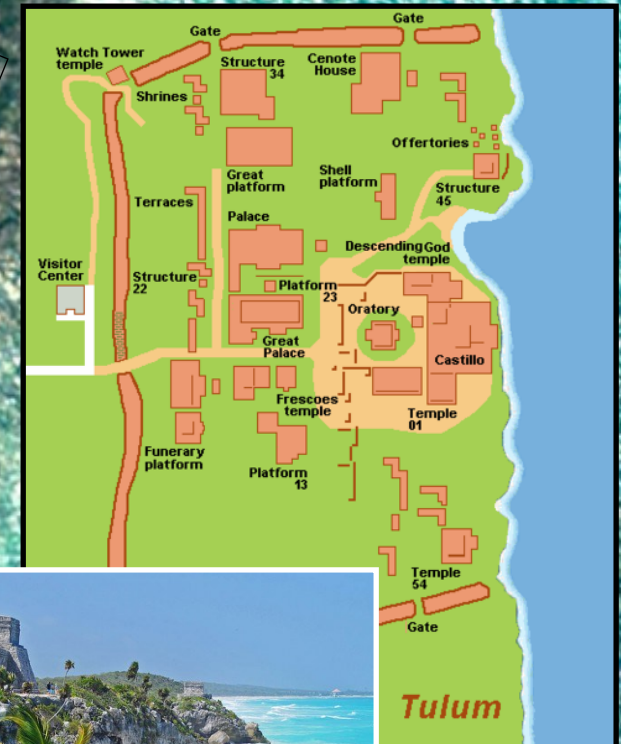

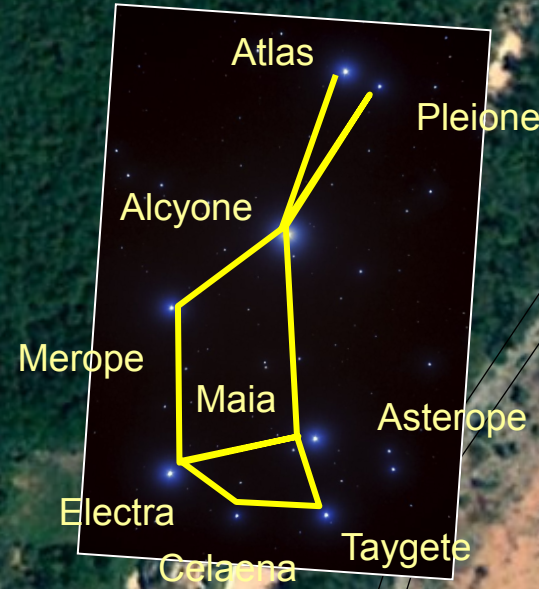

The purpose of this chart is to suggest that the pyramid layout of Tulum in the Yucatan Peninsula is modeled after the Pleiades star cluster. If one overlays the star pattern on top of the Tulum complex from a top view, there appears to be a sticking correspondence to the various temples constructed on that site, which is also at a 72 degree angled towards north. It appears that the ancient Meso-Americans had a fascination with the Pleiades as most of their royal palaces and significant temple complexes were laid out accordingly. The Pleiades template is evidence that the geometric ley-lines of the following city layout is set to the Cydonia, Mars ley-lines. Pertaining to the Cydonia, Mars anomalies, there are 3 main pyramid structures that comprise the Martian Motif. There is the famous Face of Mars, the giant Pentagon Fortress, and the Pleiadian Pyramid City. These 3 structures triangulate each other and would make up the core of a large metropolitan city on Earth. What is astonishing is that such a Martian Motif is seen implemented in the architecture of almost all the ancient civilizations on Earth. The ley-lines of ancient cities, temples and structures was of the lost knowledge and connection of pre-Adamic civilization that was conveyed to the few and selected 'priestly' class on Earth that constitutes the Secret Societies, etc. Even now in the modern era, the same Cydonia, Mars motif is incorporated into the major capitals of the world. The Martian Motif that is basically encrypted and hidden in plain sight speaks to the powers behind the curtain of those that really are the masters of the world.

It is believed by the ancient Meso-Americans that their 'winged gods' came from the Stars, the Pleiades in particular. One such 'god' was Quetzalcoatl who was a blond haired, blue eyed 'Pleiadian' that taught the Earth people culture, science, agriculture, religion and history. He was the 'Christ' figure that also came to redeem Humanity by his death but resurrected and returned to the 'Pleiades'. He promised to come from the East in a flying serpent ship to initiate the 5th Sun Age.
