

President's Message

August 2025

“Angels in the Outfield, Caring for others”

First, I would like to thank every member of the American Legion Auxiliary for your confidence and support in electing me as your Department President for 2025-2026 year.

My congratulations to every member who has accepted a chairmanship on the unit level, as well as the Department level. Are you up to the challenges for the coming year? **Yes, you are!!** Why? Because I have confidence in each one of you and I know you will do the best you can for the coming year and for that I say Thank You.

Teamwork is the ability to work together toward a common goal, **“Service Not Self.”** Coming together is a new beginning for each one of us, we all have different talents and ideas, keeping together is process; and working together is success.

“Change is the law of life, and those who look only to the past or present, are certain to miss the future.”.....John F. Kennedy

As I get ready to head off to National Convention in Tampa, Fla please continue to go to the ALA website for updates, resources, and information.

As we start a new year working hard on fundraisers, membership, and ALA programs, just remember that without **YOU** we could not work the Mission of the American Legion Auxiliary, **YOU MATTER**, take care and be safe.

Until next month....
