

# ALLOCATION ANNOUNCEMENT

## LINDMORE IRRIGATION DISTRICT

### GROWERS

On July 8<sup>th</sup>, the USBR announced a reduction in water supply to the District. To maintain the landowner allocation of 1.40 AF per acre, the District needs to account for all water to be used or not used. The Board is allowing landowners to transfer water allocation to the District Pool at no charge. Lindmore is maintaining the landowner allocation as follows:

**Allocation:** 1.40 AF of water per acre of assessed land (140 AF for 100 acres)

**Rate:** \$200.00 an acre foot (\$210 for pumped)

**Start Date:** Water Started March 1 / Use of Allocation started May 16

**District Off:** Morning of February 28, 2025

**Pool Deadline:** August 31, 2024

All water not used by February 28, 2025 will be billed to the landowner at \$200 AF. If a landowner is not going to use their allocation, it is recommended that they transfer it to the District Pool. Last day to transfer to the District Pool is August 31, 2024.
