

Rick McKinney, Karl Radde, Steve Lewis (AZ Cup Committee), Tom Stevenson, Eric Brumlow and Diana Carr. Another challenge was met. Oh yes, the wind had picked up by then and was worse than the night before.

The teams had unanimously voted to shoot the new Proposed Olympic Round so targets had to be set up at 70 meters for men and for women. The three-person teams were given 3 1/2 minutes for the three shooters to fire three arrows each, a total of nine arrows per team. Remember, the times allowed include two changes of shooters to and from the line. One shooter from each team is allowed on the line at a time with the teammates standing 2 meters back, spotting

dedicated people from the Center were running scores during the Grand FITA, donating their time for the special cause, abused children. The Arizona Cup has helped a special charity every year as well as donating \$4,000.00 to the USAT for 1989 and 1990.

When the tournament was over, everyone was glad to see it finish without further problems! Thanks to the competitors for their patience - and help! Congratulations to Sheri Rhodes, Kevin & Wendy Erlandson, Steve Lewis, and field crew (including volunteers) for being so competent and efficient. Thanks to the expertise of the crew it was once again a great tournament. *
