

Washington Suburban Sanitary Commission

Presents:

Brighton Dam Rehabilitation Project

By: Mr. Claude Modise, P.E.

**February 25 @ 1:00PM**

Located - 2 Brighton Dam Road, Brookville MD 20833

**Attendees should bring hard hats**

**Registration: \$25 member/\$35 nonmember/\$15 student/owner**

**The event** will start in the dam conference room. There will be intros and a brief presentation and Q&A. The team will share info about the project via power point, and show pictures and hydro-demolition video. We will discuss the dam operation during construction and some of the difficulties encountered. We will then walk down to the dam to see the stilling basin/ bucket, spillway and then up the stairs to have a closer look at the gates and the intake tower, and finally we can walk inside the dam to point out some of the repair work we did.
