INGREDIENT HIGHLIGHTS

RESVERATROL

This powerful antioxidant has been shown in studies to provide a multitude of health benefits, including weight loss, free radical protection, anti-aging, and cardiovascular support.*

CAMELLIA SINENSIS

The polyphenol chemicals known as catechins in *Camellia sinensis* aid in the body's natural cleansing process and absorb harmful free radicals, removing them from the body before they can do damage.*

GARCINIA

This fruit is a natural source of hydroxycitric acid (HCA), which is known to suppress appetite and boost metabolism.* Garcinia has been used safely for centuries in Southeast Asia to make meals more filling.

FAQS

Q: MetaShaper[®] is full of antioxidants, but why are they important?

A: Our bodies are constantly bombarded by free radicals—the unstable molecules caused by pollution, stress, and even normal bodily processes. Free radicals damage healthy cells and accelerate the aging process. MetaShaper[®] provides an array of powerful antioxidants, including polyphenols, bioflavonoids, resveratrol, and tea catechins to protect against free-radical damage and support cellular health.* These antioxidants have been super-concentrated for maximum effectiveness.

RECOMMENDATION

Take two to three capsules with meals, three times a day. For best results, eat low-fat, balanced meals, and exercise 30 minutes per day. Not recommended for pregnant or nursing women.
