Ones to avoid (they are hard to grow and not worth the effort):

John F. Kennedy (JFK)

Pascali

Barbra Streisand

St. Patrick (not reliably winter hardy)

Pristene

Roses in the no-spray rose garden at Wampum Memorial Park, Rt. 35 S (just south of Rt. 537, next to the Lukoil gas station), Eatontown, NJ (There are varying degrees of disease resistance in those roses):

White: **Starry Night**
Yellow: **Sunsprite**
Apricot: **Easy Goin'**
Orange-red: **Playboy**
Yellow blend: **Betty Boop**
light pink: **Carefree Delight**
medium pink: **Bonica**
deep pink: **Playgirl**
light red: **Knock Out**
dark red: **Home Run**
brownish-red: **Hot Cocoa**

Roses in the no-spray rose garden at Leon B. Smock, Jr. - 80 Acres Park, Industrial Way East and Wall Street, Eatontown, NJ:

Light red: **Knock Out**

Earth-Kind® Roses – Trialed by the Texas AgriLife Extension Service at Texas A&M University for drought tolerance and disease resistance. NOTE: Some cultivars are not hardy in NJ, and NJ disease is different from Texas disease, so research carefully.
