LITTER REGISTRATION

The Sire and Dam need to be registered with the AMERICAN PRESERVATION DOG REGISTRY in the current owner's names before litter can be registered. If either sire or dam, (or both) are not APDR registered, contact APDR for a Single Registration Application and fill it out to three generations. Send it along with this form and we will register the sire or dam (or both)and then register the litter and send all of the certificates to you. LITTERS OVER SIX MONTHS OLD MUST BE SINGLE REGISTERED.
