ANOTHER NEED IS MET
Phoenix Partnered With Cort

Phoenix International Inc. has been searching for quality furniture for the new apartments in its Independent Living Program. In keeping with the goal of the program to elevate the youths experience and lifestyles a quality product at economic rates had to be secured. The search lead Phoenix to contact Cort Furniture. They have an extensive track record and experience in dealing with education programs and schools. Terri Gray the National Higher Education Sales Manager for Cort Furniture has worked tirelessly in negotiating and securing great furnishings for the program at great rates. This is the beginning of a wonderful partnership. To learn more visit www.PhoenixRises.org or call (678) 631-RISE (7473)
