Lisa Nanni-Messegee and Todd Messegee – Dynamic Writing Team and Screenwriters of a Made for TV Movie “Romantically Speaking” to Appear on “Beyond Just Talk with S. L. Young” on WOL DC 1450 AM

Arlington, VA – On Tuesday, June 9th at 11 a.m. EST, the guests on “**Beyond Just Talk with S. L. Young**” will be **Lisa Nanni-Messegee** and **Todd Messegee** who are multi-platform writers for stage/screen, mentors, and screenwriters of a \$1.6 million made for television movie “*Romantically Speaking*”.

Lisa has almost always been an avid writer. However, it wasn’t until she was cast in a high school play that she realized her calling. In college she refined her theatrical talents as the lead in over twenty productions. Lisa has an extensive theatrical background ranging from acting, casting, producing, writing, and more.

Todd spent more time watching movies than studying during his developmental years; therefore, he never dreamt about becoming a published or produced writer. However, this career path isn’t surprising because a high school teacher questioned his writing abilities due to its maturity. Notwithstanding, one of Todd’s college professors recognized his abilities and encourage him to pursue a writing career.

The Messegee’s – these days – are an exclusive writing team, as they continue to develop works for both television and the big screen. Recently, this team self-published their play “*An American House*”. Their current writing project is a crime-drama novel. Even with these for-profit pursuits, the Messegee’s are also focused on non-profit initiatives. This writing duo created the website “Messegee Writes” to provide advice to aspiring writers. Also, the Messegee’s teach theater courses at the Northern Virginia Community College, which is one of their greatest passions.

“Beyond Just Talk with S. L. Young’s” host is honored to have the Messegee’s – a writing dynamic-duo, who wrote a movie script that was produced by Hollywood, and a team that gives-back to the community by providing thoughtful writing advice to aspiring writers on their blog “Uncorked” – on this show.
