

Lydia's Story

Distributed by Mu Nu Ministries

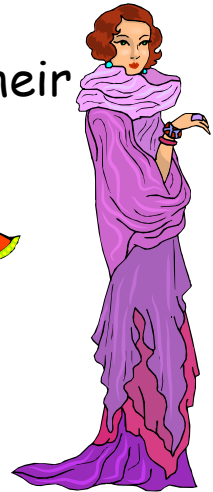

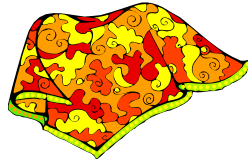

I always believed in God
and I love Him.

I have my own business which
keeps me very busy.

I buy and sell beautiful material
for ladies to make their
dresses.

as well as hats

and coats.

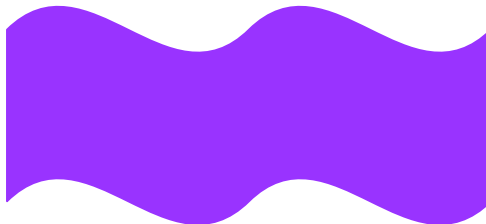

They also make clothes for

their families.

I love purple so I buy a special cloth

One day I was sitting down near the river where those of us who love

God go to pray.

We had a big surprise because a man named Paul and his friend came

to meet us

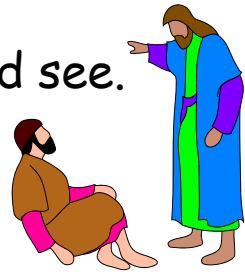

there.

He talked about Jesus who
was born to be our Saviour.

Jesus did wonderful things for
people who had been deaf and blind
and who could now hear and see.

Then He died on a Cross

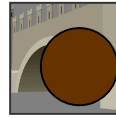

so that our sins could be forgiven.

This was Good News.

Then He was seen alive because God

who I love had brought Him

back to life.

He went up on a cloud to heaven.

Now Paul said He wants us to

believe in Him and follow Him.

This is a very amazing story but I

really believe it is true.

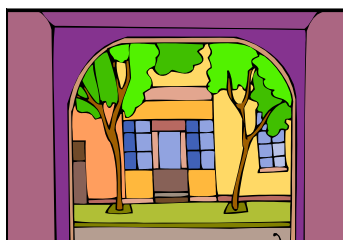

I felt so happy.

Paul asked us to be baptised to wash
away our sins,
and then we
received the Holy Spirit.

I invited the men
to my house.

We had a wonderful party
and Paul and his
friend stayed with us.

Before I loved God and worshipped

Him, but now I have met

Love

Jesus

in my heart through

the Holy Spirit,

and I hope

those who read my story will meet

Him too.

I still love purple!
