

HLAA WESTCHESTER CHAPTER MEETING

Understanding Hearing Aids: Updates on Technology and Options

Michele DiStefano, AuD, CCC/A with Center for Hearing & Communication (CHC), will give a presentation on the latest technology with hearing aids. How to go about doing research on various components associated with hearing aids. Insurance coverage and Medicare. Are there benefits with bluetooth technology and hearing aids accessories. Are you or a loved one struggling with hearing loss and not quite sure how to do research on solutions. Come and join us.

The mission of HLAA is to open the world of communication to people with hearing loss by providing information, education, support and advocacy.
