

SUMMER CAMPS 2022

What do I need to bring when we have in-person camps?

Please make sure your child brings the following items:

- ~Mask (optional)
- ~Towel/blanket to sit on during lunch and outside times
- ~Snack & lunch ***We are a NO NUT facility!***
- ~Water bottle
- ~Close-toed shoes ***No flip flops or sandals***

What do I need to do before bringing my child to camp?

Every morning, please check the following:

- ~Make sure they do not have a fever, cough, sore throat, headache, or body chills
- ~If they do, even if it might be allergies, your child cannot attend camp.

Mask and Vaccination policy

~Proof of Vaccination or Negative Test Documentation

Those who are 5 years of age and over must show proof that they are fully vaccinated at the beginning of the first day of camp. ("Fully vaccinated" is defined as at least 14 days passed since receiving either the second dose of FDA- or WHO-authorized double-dose vaccines or the sole dose of authorized single-dose vaccines.)

Acceptable as Proof of Vaccination:

- Vaccination card (including the name of the person vaccinated, type of vaccine provided, and date the last dose administered).
- A photo of a vaccination card.
- Documentation of vaccination from a healthcare provider electronic health record or state Immunization Information System record.

~Patrons unable to be vaccinated because of a medical condition and/or sincerely held religious belief must provide results of a negative COVID-19 PCR test taken within 72 hours or a negative COVID-19 antigen test taken within 24 hours of their ticketed performance.

~Masks are optional however your child may wear one if they feel more comfortable. If someone in your camp tests positive for COVID-19 then everyone will wear a mask for the entirety of the camp. We will not be wearing masks for the Friday performances as well.

What if someone tests positive for COVID-19?

These guidelines are subject to change.

~If your child tests positive for Covid-19 they will not be able to attend the remainder of the camp. If you are vaccinated, you must stay home for 5 days after the positive result. If after that time your child has no symptoms and tests negative then they can return to their camp.

~If your child tests positive for Covid-19 and is unvaccinated then they must stay home for 10 days after the positive result. They must have no symptoms and test negative as well.

~If someone in your camp tests positive for COVID, everyone should watch for symptoms and test if you feel like your child might also be positive.

~You would also receive a credit for a future class/camp if your child tests positive for Covid.

Additional Information

~One group will be dropped off at the studio and one at Cowen Park. If you are attending camp at LFP, drop off is by the stage at Third Place Commons.

~Parents must sign-in before dropping their child off.

~In case of an emergency during the day you can call: 206.473.9580.

~The studio doors will remain locked during the day.

~If your child needs to take medication or an epipen, please send in a ziplock bag with a doctor note. We will be carrying Epipens in our first aid kit, so that we always have them on hand.

~We have After Care available at the University Way location, M-TH from 3-5:30pm. No after-care on Friday due to performances.
