## Tips for Being a Good Short-Term Rental Guest

- Be mindful of your neighbours:
  - + Avoid making noise that will disturb others, for example, shouting or playing loud music.
  - + Avoid smoking tobacco or cannabis near your neighbours' doors and open windows
  - + Be mindful of other habits or activities that may disturb others.
- Respect public spaces like municipal reserves, parks & playgrounds, and trails. Follow posted rules & do not litter.
- Ensure all dogs are kept under control and on a leash at all times, including when in the park and municipal reserve areas. There is currently no designated off-leash area for dogs. Please take responsibility for cleaning up after your animals, as many people enjoy walking throughout the community.
- Please enjoy the wildlife but refrain from feeding the wildlife as this activity is not permitted in the Summer Village.
- Your host may have additional rules. Ask your host about these rules and always follow them.
