

Greetings! We pray this letter finds you all doing well. We are pleased to report a busy yet productive past few months. September brought a lot of activity with it. Cody was able to be at several youth rallies to promote the camp and help with games. Park Gate Baptist Church held an archery outreach here with 30 different targets. Cody traveled to North Carolina to present the camp and tour another camp while he was there. We also had another church use the camp for their annual men's retreat. We love it when churches can use the property for their events. There was also a college fellowship meeting held in our new chapel.

The family are all doing well. Elliott just had a birthday at the end of October. It has been three years since we have been at the camp now. The boys are growing like crazy. Emmett is loving kindergarten. They are both already anxiously awaiting Christmas. We had a wind storm this past spring that resulted in some damage to the roof of the house. We were able to get a new metal roof put on through insurance. It turned out great!

October was busy as we worked on the camp to prepare for our new Annual youth rally. We had almost 200 in attendance and one saved! We are happy about the turnout and thankful that the Lord rewarded all the planning and hard work for this event. Cody also traveled to Tennessee and Ohio to present the camp and preach. As we move into the winter months, we would appreciate prayers for traveling and prayers as we are in talks with multiple new groups interested in using the camp property for their weeks of camp. It would be amazing to see. We are looking into remodeling projects to help other groups use the facilities. Some of the projects we are working on we have talked about in our Fernwood Glow Up Project, so if you are interested in giving to that, please feel free to reach out to Cody.

We are truly grateful for the prayers you say for us and the financial support given. Please pray for New Churches to partner with us and even for more to come our way that want to use the camp. Please continue to pray for health and safety. We are thankful for you all.
