Natalie's Match Reports for the U14s

Fantastic morning of netball for the U14s today.

Their first match was against a strong Crystal Palace team. The match was neck and neck for the first three quarters, but with some fabulous control and composure, the girls managed to pull away to victory, with a final score of 16-12.

Their second match was against a less formidable opposition, but rather than rest on their laurels, the girls showed great team play to win by 27 goals to 12.

The girls displayed some wonderful defence play and shooting skills today and it was a real team effort. I could have given **star player** to any of them, however, I have chosen both **Charlie Derwent-Smith** for great versatility and defensive play, playing brilliantly in three different positions, and **Charlotte Peel** for demonstrating both great defensive play and lovely control bringing the ball down the court. Well done girls!!

Jane's Match Reports for the U15s

I am SO happy with today's netball !! Girls you were brilliant and showed a real fighting spirit. We started off with a closely fought match against Surrey Heath. This was possibly our best performance, despite losing, but we showed real commitment and passion, particularly in defence. A fantastic performance from Kirsty and Megan, as always.

We then played Didasko, a fairly easy win, although we played some scrappy netball. And finally we pulled ourselves together again and displayed some gutsy netball in a close match with Fetcham Hawks. Your attitude was great today girls, and it was this that helped us win when things were tight. There was a real belief in your abilities and a lovely team spirit.

Thank you to Jodie who played up from the U14s and Hayley who only joined the club two weeks ago ! **Star Players today were Kirsty and Megan**, who were a formidable defensive pair.
